

Growth Spurt

Illustrate the story here:

Akeem woke up one morning feeling quite strange. His arms stretched longer than they ever have before. When he stood up, he hit his head on a shelf! He felt like he had a brand new body.

When Akeem got dressed, none of his clothes fit. His arms were longer than his shirt sleeves. His shoes were smaller than his feet. Even his longest pants were now too short. What was he going to do?

Akeem walked into the kitchen with his too big body in his too small outfit. “Wow,” grandma exclaimed, “you had a growth spurt! You got taller overnight! Now you may be the tallest kid in your class!”

Akeem’s big brother got up from the table and stood next to him. The top of Akeem’s head only reached his brother’s elbows. “Well, you’re still shorter than me,” he said with a grin.
