

## Building Rome in a Day Project

Date \_\_\_\_\_

Project Rubric		
Name of writer/recorder		
Name of project manager		
Name of time keeper/recorder		
Name of presenter		
Steps for project:	We did it!	Grade
We were able to agree on roles for group members to complete the project. <i>(Think Win-Win and Synergize)</i>		
We were able to answer all of the questions on the planning page and we all contributed. <i>(Synergizing)</i>		
We were able to complete the planning within the time allowed. <i>(Put First Things First)</i>		
We were able to draw out our design before building our project. <i>(Begin with the End in Mind)</i>		
We were able to stay on task. <i>(Be Proactive)</i>		
We were able to problem-solve as we constructed our project. <i>(Seek First to Understand, Then Be Understood)</i>		
We were able to successfully build our Roman structure together as a team! <i>(Synergize, Think Win-Win)</i>		
We encouraged our presenter as they presented our project to the class
