

PLEASE be careful! Someone deleted the entire table! I just restored it. If you do this by accident, just hit the back arrow found in the toolbar up and to the left .

If you see someone you match with from the red side, partner with them by adding yourself to the blue. If there is no match (class size will never be exact) then add yourself to the red side and keep checking in!

4th Grade Teachers Classroom Pen Pal Sign Up for 24-25 School Year:

These would be letters written class to class throughout the year, not the statewide postcard exchange, so a state can be listed more than once. Go to the three dots on the post and hit 'save post' or copy the link and save it somewhere so you can come back to it. Do not make a copy as you will not see changes. If you see someone you would like to pen pal with, add your information to the blue side! Once you find a partner you can decide how to touch base to figure out details. Hope this helps!

Teacher/classroom						Classroom partner
