

SOUND CARDS FOR SPELLING

Includes all sounds. Can be used with CKLA/Amplify or other curriculums.

These sound wall cards are created for use with CKLA/Amplify Curriculum, but can be used in any classroom.

CKLA/Amplify codes their cards with fewer colors. I grouped similar sounds and expanded the number of colors used to assist students with identifying patterns and sound recognition. I also removed the “bars” since they can be hard for the kids to interpret.

Enjoy!
