

# 6 Easy Ways to Support English Learners in a Virtual Learning Environment

Turn on Closed Captions in Google Meet, YouTube and PowerPoint.

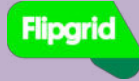

Send modified assignments to specific ELs in Google Classroom.

Encourage ELs to use Read-Aloud extension on texts and assessments.

Use Talking Points text app to check in, answer Qs, and praise success.

Allow ELs to record responses in FlipGrid instead of in writing.

Write sentence starters for discussion topics in the Google Meet chat.
