## MESSAGE FROM THE PRINCIPAL

Greetings, Bronco Families!

It has been another busy week on The Ranch.

Our juniors wrapped up State Testing for science and will go into English and math next week.

As noted in last week's messaging, junior students will not have late start during testing next week.

Course requests for sophomore and freshman students are due before Spring Break.

The courses our Broncos select now, will give us a snapshot of how the Master Schedule needs to be built. Students are encouraged to be as decisive as possible in terms of their Academic Plans and the courses they want to take going forward.

We appreciate your support in discussing your Bronco students' Academic Plan before their course requests are submitted.

Prom tickets go on sale this coming Monday and can be purchased online or in person at our bookkeeper office. Guest passes must be processed on campus and in person.

Tomorrow, we will celebrate the life of our Bronco teacher, mentor, coach, and friend, Mr. Joseph A. Murray. Please see the information below for details.

As the year comes to a close and students are making their final push toward finishing strong, we encourage you to reach out to us with any questions, comments or concerns.

It is an honor and a pleasure to partner with you in pursuit of excellence for our Broncos.

Have a wonderful weekend.

Mrs. Scallion
