### SUPERINTENDENT’S REPORT-

We had over 160 people at our Open House for the National Training Center. It went well and we’ve made many contacts. We are scheduling our Out of District visits for our CTE Programs. Right now, we have Widefield and Falcon coming on December 2<sup>nd</sup> and January 13<sup>th</sup>. The other Rural Schools will be invited to those dates as well. Currently, I am talking to D20 and D11 to see if they are interested. Not trying to jinx anything, but this weather is quite interesting. At least it gives us time to better prepare for our first snow.

**Financial Aid Night**—On Wednesday, November 9th, we had representatives on hand to help parents to complete financial aid forms. Six parents showed. This is less than what we hoped for, but I think this will improve for future financial aid nights. Ms. Pavetti is doing an excellent job in reaching out to assist parents and students.

**2016 State Accreditation**—At the October board meeting I brought to you the preliminary school accreditation ratings released by the Colorado Department of Education. These ratings are based on last year’s testing data and performance data.

The district received the rating of “**Accredited: Low Participation.**”

The schools received the following:

Elementary—**Performance Plan**

Junior High School—**Performance Plan: Low Participation**

High School—**Performance Plan**

CDE has acknowledged receipt of our request for re-consideration to remove the “low participation” designation. However, as of November 17<sup>th</sup>, we haven’t heard back on their determination.
