SESSION # 3

Topic: NEASC - What is it and why do I care?

Time Required: 35 minutes

Objective: The students will be able to identify and explain Wilby High School's 7 core values and expectations

School Core Values and Beliefs Expectations:

Knowledgeable Person, Complex Thinker, Skilled Information Processor, Effective Communicator

Materials Needed: Wilby High School's Core Values and Beliefs
Wilby's Core Values and Beliefs worksheet (attached)

Procedure:

Individually students will complete the above handout and provide an example of a student expectation.

Discussion Questions:

- 1). How many student expectations could you name?
- 2). Why is it important?

Closure:

In summary, the goal of accreditation is to maintain a quality education for the entire student population. Accreditation ensures that through a mutually agreed-upon process there has been a third-party examination and evaluation by peers of the extent to which a school meets the Commission's Standards for Accreditation. The results of that scrutiny are then made publicly available as an indication of the quality perceived and attested to by outside professional educators.
