To my AMAZING Eagle Families:

Snowy day all the way to sunny and almost 80 degrees... I'll keep sunny and 80 as long I as can for our Eagles :) *I want to start by congratulating our custodial, secretarial, teachers and para on such a safe and successful start to this unprecedented school year. Collectively their patience, pivoting and problem solving made and continues to make Stafford SOAR! Please take time to send them an email or Dojo of gratitude. Kind words help encourage the heart <3. Our Eagles Staff and Students have really been SOARing!*

- **SAFE** - Safely eating lunches by limiting conversation when masks are off. Students will be listening to stories and watching fun science videos while they eat :)
- **OPTIMISTIC** - staff, families and our kiddos were full of positive vibes and even humor today
- **ACCOUNTABLE** - Following through with completing schoolwork and asking questions when they are confused.
- **RESPECTFUL** - EVERY SINGLE PERSON in our Eagle Family continues to be patient, helpful and kind <3

ATTENDANCE:

Parent ACCOUNTABILITY TIME ;) Your child's education is paramount. You must check in with your child's teacher and **call the office** if your child will be absent from school. CVL parents, it's just a matter of **completing the class checkout form**. Remember, all families must **complete the checkout form** on Wednesdays if your child will be remote absent. **We care about you and your child <3 If you are having difficulties helping your child access school, we are sincerely here to help.**

SNACK:

Our kiddos get hungry during the day. Due to full in-person - the **SAFEST** option for snack is having it in the caf or eating it outside. In order to maximize instructional time, please send you kiddo in with a quick and easy snack that **does not require a spoon** :)

PTO: Please join and support our PTO! **Dr. Carbone and Dr. Dietter will be at our Next Meeting - THIS THURSDAY 11/12 @ 6:30.** Click below for events, fundraisers and volunteer opportunities
