- Spanish 4\* (254343)
- AP Spanish Language\* (257363)

## **Seniors Only:**

Clinical Medical Assisting consists of a three course sequence. All three courses must be taken in one year to complete the program, and they must be taken in order.

Prepare for employment as a Clinical Medical Assistant in an office or health care center. Students will learn direct patient care skills needed to progress to a clinical setting, including; vital signs, preparing patients for examinations, collecting specimens, performing diagnostic tests, drawing blood, administering injections, and electrocardiograms. Additional instruction includes pharmacology, ethics and liability, therapeutic communication skills, universal precautions, CPR, and First Aid for Health Care Providers.

- Introductory Course: Medical Terminology (522573)
- Concentrator Course: Health Careers (522583)
- Capstone Course: Medical Assisting (522563)
