# **What is A-G**

- ✓ **The intent of the “A-G” subject requirements is to ensure that students have attained a body of general knowledge that will provide a wide range and perspective to new, more advanced study.**
- ✓ **The Requirements for University of California and California State University Eligibility. All requirements must be completed with a “C” grade or better. D’s and F’s are not excepted!**

# California Colleges

CaliforniaColleges.edu

California Colleges is the one-stop website for information about higher education in California for students, counselors, and parents.

- ✓ Explores the full range of accredited public and non-profit colleges and universities in California and nationwide.
- ✓ Determine the careers that best match your skills and interest.
- ✓ Match schools and majors with your career interest.
- ✓ **Your classes are automatically transferred to your college application.**

# **You MUST have** **220 Credits to graduate!**

**\*\*You only get credit for a class if you pass it with a “D” or better. Any class you receive an “F” in does not count towards credits for Graduation!\*\***

# How do I make up credits for Graduation?
