California Assessment of Student Performance and Progress

2015-2016 school year, marked the second year of administration of the California Assessment of Student Performance and Progress (CAASPP) System of state assessments to the AUHSD students.

2015-2016 CAASPP System included the following required assessments and tools:

- Smarter Balanced Assessments
 - Summative Assessment for grade 11 for English Language Arts/Literacy (ELA) and mathematics.
 - Interim Assessments available to all grades with the purpose of informing and promoting teaching and learning by providing “practice” assessments aligned to the Common Core State Standards.
 - Digital Library consisting of tools and practices designed to help teachers transition to the new assessments and academic standards.
- Alternate Assessments
 - California Alternate Assessments (CAAs) for eligible grade 11 for English Language Arts (ELA) and mathematics.
- California Science Assessments
 - Life Science exam in grade 10 - California Standards Test (CST) and California Modified Assessment (CMA) and CAPA
- Standards-based Tests in Spanish (STS)
 - Optional reading/language arts assessments for grade 11 students.

Smarter Balanced Assessments were delivered by computer and consisted of a Computer-Adaptive Selected Response Test and a Performance Task. These assessments were aligned to the California Common Core Standards in ELA and mathematics.

Science assessments were paper and pencil tests and were aligned to the 1998 California science standards.

The Digital Library was available, however due to lack of robust resources applicable to high school curriculum was infrequently used by the AUHSD teachers and administrators.

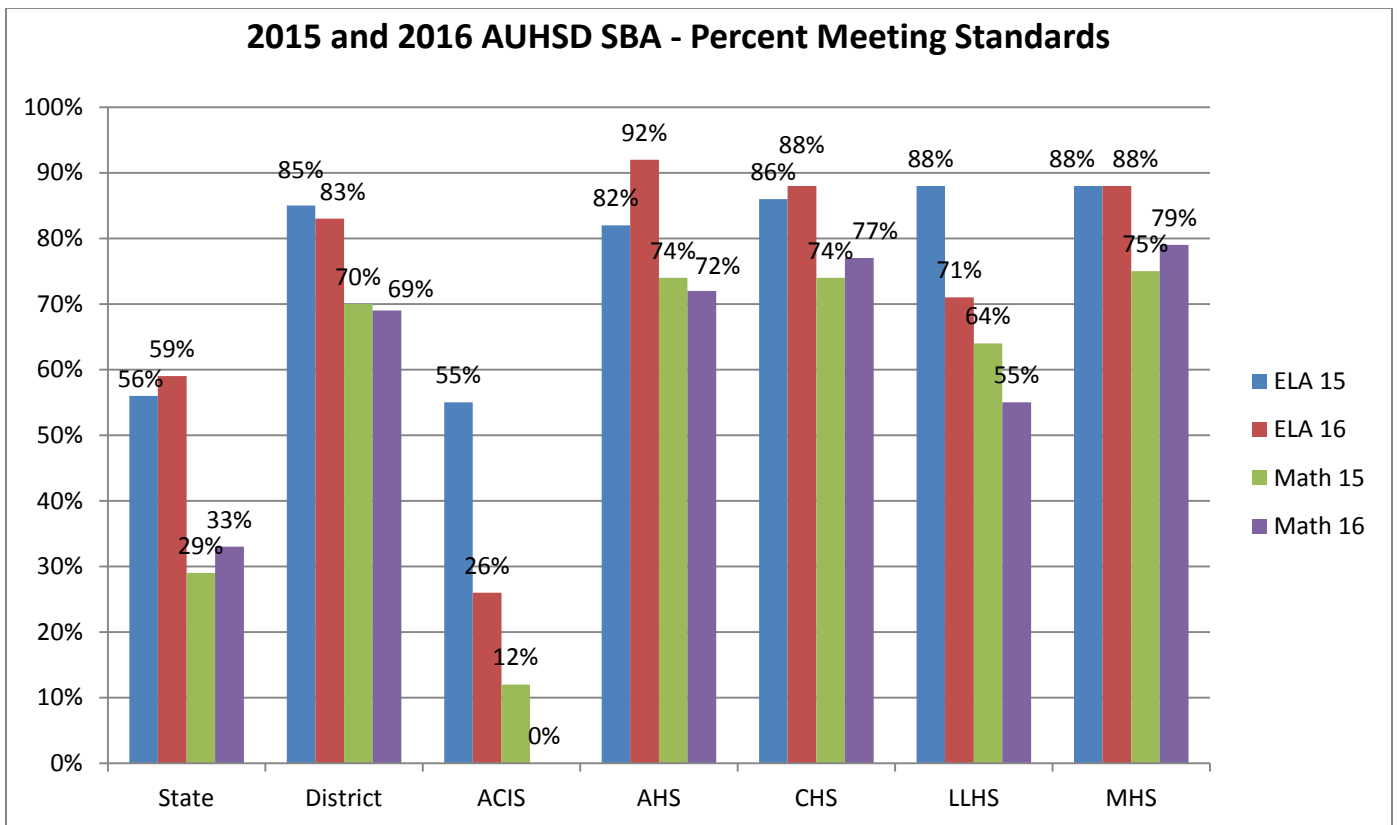

AUHSD 2015-2016 CAASPP Assessments				
Test	Content	Participants	Number of AUHSD students with Scores (2014 - 2015)	Number of AUHSD students with Scores (2015-2016)
Smarter Balanced Assessment - Summative	English Language Arts/Literacy Mathematics	All 11 th grade students Exception: <ul style="list-style-type: none"> • Eligible students participating in alternate assessments • ELA only – EL students who were in their first 12 months of attending school in US 	ELA – 1002 (76%) Math – 969 (74%)	ELA – 1247 (93%) Math – 1236 (92%)
Smarter Balanced Assessment - Interim	English Language Arts/Literacy Mathematics	All 11 th grade students	NA Interim assessments were used to practice the SBA interface. Assessments were not graded.	NA Interim assessments were used to practice the SBA interface. Assessments were not graded.
California Alternate Assessment	English Language Arts/Literacy Mathematics	11 th grade students with significant cognitive disabilities who are unable to take Smarter Balanced assessments. Students previously took CAPA.	NA Alternate Assessment was not scored. Most AUHSD eligible students participated in the Alternate Assessment Field Test.	Eligible students took the California Alternate Assessments (CAAs). Results will be available in fall of 2016.

AUHSD 2015-2016 CAASPP Assessments				
Test	Content	Participants	Number of AUHSD students with Scores (2014 - 2015)	Number of AUHSD students with Scores (2015-2016)

Life Science California Standards Test (CST)

Life Science California Standards Test (CST) is a federally required science assessment administered to all students in grades 5, 8 and 10. The 2016 Life Science CST administration was the last administration of this assessment. The test is aligned to the 1998 life science content standards. All students in California will participate in a science field test during the 2017 assessment administration. The new assessment will be aligned to the new Next Generation Science Standards (NGSS.)

Note: CDE has not released the official analysis of the CST data. 2016 data in the table below was compiled at the local level.

Proposed
**California Assessment of Student Performance and Progress
 Science Assessments Implementation Timeline**

Key:
CAASPP: California Assessment of Student Performance and Progress
CAPA: California Alternate Performance Assessment
CDE: California Department of Education
CMA: California Modified Assessment
CST: California Standards Test
EOC: End-of-course Science Tests in Chemistry, Physics, Biology, Earth Science, and Integrated Science I–IV
ESEA: Elementary and Secondary Education Act
CA NGSS: California Next Generation Science Standards
SBE: State Board of Education
SSPI: State Superintendent of Public Instruction

- Assembly Bill (AB) 484 (Chapter 489, Statutes of 2103 amended California *Education Code (EC)* sections 60640 through 60649:
- Established the **CAASPP system** to replace the Standardized Testing and Reporting (STAR) Program
 - Took effect in January 2014
 - Eliminated all science tests, except for the ESEA-required tests (CST, CMA, & CAPA in grades 5, 8, & 10)
 - Authorizes the development of new assessments aligned with the CA NGSS
 - Requires the SSPI to develop science assessment recommendations with California science education stakeholder input
 - Requires the SSPI to submit to the SBE, no later than March 1, 2016, recommendations for assessments to expand CAASPP

California Assessment of Student Performance and Progress

Alternate Assessments

California Alternate Assessments (CAA)

Students in grade eleven who have a significant cognitive disability as designated in their Individual Education Plan (IEP) participated in the California Alternate Assessment in the areas of English language arts/literacy (ELA) and mathematics. 2016 administration of the California Alternate Assessment was the first official administration of the test. *CDE has not released scores for the 2016 CAA.*

California Modified Assessment (CMA)

Students with disabilities may qualify and meet the specified criteria and instead of the California Standards Test (CST) in Life Science take California Modified Assessment (CMA.) This designation is noted in the student's Individualized Education Program (IEP.) IEP teams determine if a student may benefit from taking the CMA assessment instead of the CST. Fourteen AUHSD students took the CMA as part of the CAASPP system.

California Alternate Performance Assessment (CAPA)

The CAPA is the alternate assessment for science. AUHSD students in grade ten, who have an Individualized Education Program (IEP) and have significant cognitive disability, participate in the California Alternate Performance Assessment (CAPA.) Three AUHSD students took the CAPA as part of the CAASPP system.
