# ACP ~ 4 Year Planning ~ Selecting Courses

## What do you need to know or consider before choosing classes?

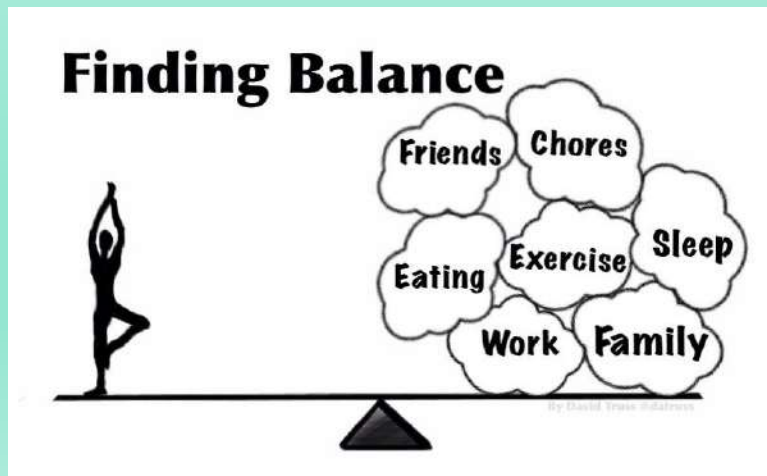

- Explore your interests
- Understand your academic aptitudes/abilities
- Consider experiential learning opportunities (Job Shadows, Apprenticeships, Co-op's, Clinical Training, Volunteering)
- Consider your post high school goals
- Identify KHS Graduation Requirements that you need to fulfill.
- Student Athletes ~ Verify you are taking courses that are NCAA Approved.
- Review the coursebook and new courses available.
  - Understand what courses are about and their prerequisites.

# ACP ~ 4 Year Planning ~ Selecting Courses

## What do you need to know or consider before choosing classes?

- Talk to current teachers about recommendations they have for you.
- Take a variety of classes that help you explore your interests and your top Career Clusters.
- Seek feedback from your parents.
- Don't be afraid to take a class that may challenge you, as it could become a new strength or interest for you.
- Determine if your schedule is well-balanced

# **KHS GRADUATION** **REQUIREMENTS**

	28 Credits

**\*\*Check to make sure you are on track for graduation.\*\***

# Laude System

- The purpose of the Laude System is to reward graduating students who perform at a high academic level and choose highly academic courses.
- Students must have an Indexed Cumulative GPA of 3.4 or higher to be considered.
- Courses with a designations of AP, Honors, CAPP and CLEP all earn 1 laude point for every .5 credit earned.
- Students are responsible for knowing their own laude status.  
(Cum laude=14, Magna Cum Laude=20 & Summa Cum Laude=28)

For more information, please refer to the online KHS Course Book.

# Opportunities for earning College Credit

**CAPP (7)** ~ CAPP stands for Cooperative Academic Partnership Program. Our teachers are certified to teach their curriculum so our student can earn college credit from UW Oshkosh. These credits may be transferred to other colleges by sending a transcript from UW Oshkosh to your destination college.

**CLEP (2)** ~ CLEP stands for the College Level Examination Program. **CLEP** exams help students earn college credit for what they already know, for a fraction of the cost of a college **course**.

**AP (20)** ~ AP stands for Advanced Placement. Students complete our curriculum and then take the AP Exam in the spring and if they earn a 3 or higher on the exam, can earn college credit. The cost of the AP Exam for this year was \$95.

**Transcripted Credit (14)** ~ Transcripted Credit is also known as dual enrollment courses. A student in high school signs up for a course that has an agreement with a post-secondary institution and if they meet the requirements of the course, the student receives high school and college credit...for free!

**Advanced Standing (1)** ~ Advanced Standing is the recognition of previous successful study which may be relevant and may be applied to a program at a technical college. These classes can be credited to your technical college program and could reduce the number of subjects you need to complete to earn your certification and/or degree.

## Academic & Career Planning

# Scheduling Instructions

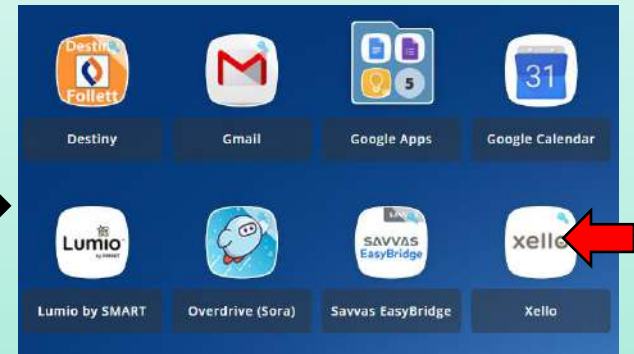

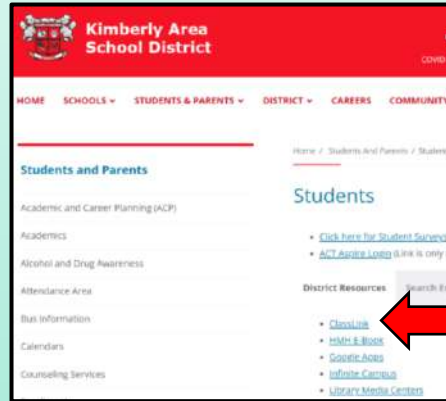

[Scheduling Video](#)

1. Login to email and go to the [district website](#)

2. Select **Student Resources**.

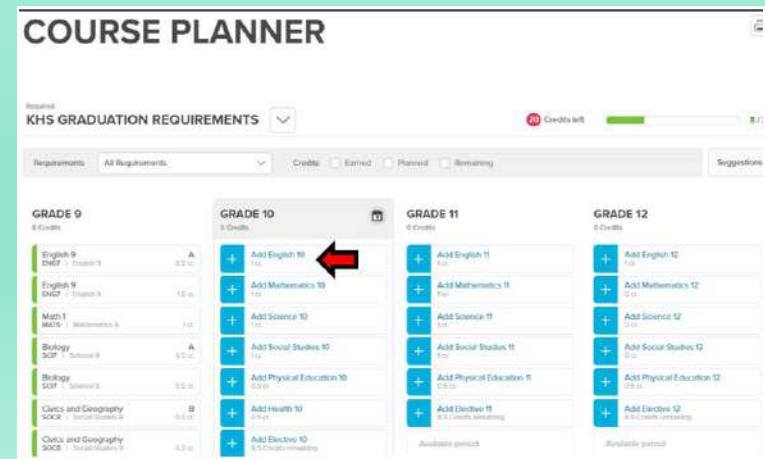

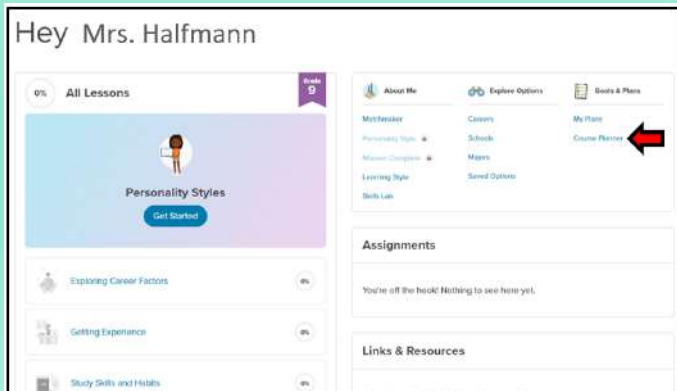

3. Select **ClassLink**

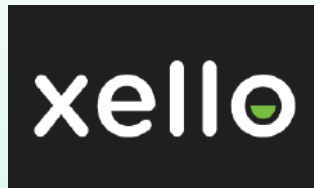

4. Select **Xello**

5. Select **Course Planner**.

6. Make selections (**Click on +**).

- When choosing courses, you only need to enter in classes for next school year. You can plan courses for future years, but those classes will not be scheduled at this time.
- The Grade Level highlighted in Grey is the year the student is scheduling for.

- If a **blue alert** pops up, there is a note to read regarding the course. Typically, this relates to a course fee. You are still able to register for this course.
- If a **red alert** pops up, there is a pre-requisite issue. You need to remove that course from your plan and add another selection in order to submit your requests.

The screenshot displays the Xello course selection interface, organized into four columns for GRADE 9, GRADE 10, GRADE 11, and GRADE 12. Each column shows a list of available courses with their respective credit values and alert icons (blue or red).
