

Mile Marker 11: Objectives for Junior Year

By the end of Junior Year, students are beginning to make final preparations for graduation! Below are key things students need to know or do during their third year of high school.

Timeline	Task	Notes/Contact Person
All year	Pass all classes! Students must pass all their current classes <u>and</u> retake any courses they did not pass last year.	*80 average or better required in honors or gifted classes to continue in gifted/honors. * 92.5 overall GPA required to graduate as an Honor Graduate.
All year	Continue to maintain good attendance! Remember, having more than 7 absences may result in a student losing credit for classes passed.	Parents can use PowerSchool to view class attendance ANY time. Report concerns to the teacher.
All year	Review/revise post-secondary plans. Continue to think about and plan for the next step after high school. Meet with a counselor if needed.	-Mrs. Scott, 11th grade counselor -Mrs. Brumby, 12th grade counselor
All year	Continue pathway courses. Some students who complete their 3rd pathway course during junior year will need to complete an End of Pathway Assessment (EOPA).	Mrs. Tillery, Asst. Principal College and Career Academy
Fall Semester	Sign up for ACT/SAT (if college-bound) The ACT and SAT are given throughout the year. Meet with a counselor to discuss which test best fits you and your college plans and to register!	-Mrs. Scott, 11th grade counselor -Mrs. Brumby, 12th grade counselor
January/February	Register for classes for next year. - Ensure students will complete their pathway sequence by graduation. - College bound students may also begin to consider taking Dual Enrollment classes during their junior and/or senior year. - Students may also have 1 to 3 Work-Based Learning periods during junior year.	-Mrs. Lee, Asst. Principal -Mrs. Scott, 11th grade counselor -Mrs. Brumby, 12th grade counselor Mrs. Riley, Work-Based Learning Coordinator Students interested in Dual Enrollment need to take the Accuplacer exam (unless they are exempted by SAT/ACT scores)
Spring	Have a great time at Junior Prom!	
Late Spring	AP Tests: Students enrolled in AP can take the AP exam for their course to potentially earn college credit.	-Mrs. Lee, Asst. Principal -Individual AP teachers
END OF YEAR	Minimum number of credits earned to be on track for graduation:	17 credits
