

TRI-COUNTY ROP FLORAL DESIGN

- Businesses employ 10% of Californians in the industry sector
- Learn interviewing techniques and resume building skills
- Improve your communication skills

(see reverse side for more details)

The Floral Design program is designed to give students an overview study of the floral industry, basic principles of flower arranging, care and use of dried and fresh flowers, corsage design, pot wrapping, and the design and care of planters and dish gardens. Students will also learn the retailing skills necessary for employment in the local floral industry such as: basic salesmanship, making change, and display skills.

Occupation	Minimum Degree Requirement	Median Hourly Wage	Estimated Average Annual Wage
Welder	HS Diploma	\$17.06	\$35,484
