

## Xello/ EDP Information – 11<sup>th</sup> Grade

Xello is college and career planning software (it used to be called Career Cruising).

- Builds skills and knowledge to be career ready
- Career awareness, exploration, and preparation

### Xello Log-in Instructions:

Go to ClassLink account – Xello has an icon on the ClassLink page

- Click on the icon to sign-on to Xello

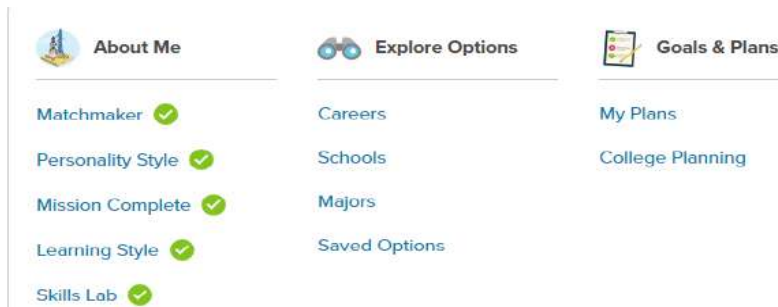

**Step 1:** Start at the student dashboard and click on “Begin with Your EDP.” Click on the button.  
Helpful tip: Do not use a phone or mobile device for Xello.

The screenshot shows the Xello student dashboard for a Grade 11 student. On the left, there is a progress indicator showing "0% All Lessons" and a large blue button labeled "Begin With Your EDP" with a "Get Started" sub-button. The main content area is divided into three columns: "About Me" (with items like Matchmaker, Personality Style, Mission Complete, Learning Style, and Skills Lab), "Explore Options" (with items like Careers, Schools, Majors, and Saved Options), and "Goals &amp; Plans" (with items like My Plans and College Planning). A purple "Grade 11" badge is visible in the top right corner.

**Step 2:** In the student dashboard, under About Me

- Complete Skills Lab.  
If you have not completed Matchmaker in a previous grade, you will want to complete it.

### Xello/EDP Lesson Completion Requirements by Grade Level:

11th Grade –

- Skills Lab
- Five Saved Careers (Under Explore Options)
- One Saved School (Under Explore Options)
- 3 Saved Majors (Under Explore Options)
- 1 Saved Plan (Under Goals & Plans)

Helpful tip: You may have to complete a previous lesson, like *Matchmaker* to be able to unlock/or complete a grade level requirement.

**Step 3:** To complete “Begin with Your EDP” lesson, students need to answer the question prompt and select “Turn In” for the lesson to be complete.

Once the student EDP is complete (for the grade level requirements), there will be a green check mark next to Begin with Your EDP.
