

STUDENT ADVISORY ACTIVITY
12th GRADE
SESSION # 14

Topic: Senior Year Reflection & Looking Forward

Time Required: 35 minutes

Objective: Students will look back and summarize their high school experience and create a list of things that they would like to “take care of” before graduating

School Core Values & Beliefs Expectations Codes:

Knowledgeable Person, Self-Directed Learner & Complex Thinker

Activity Statement: Students take time to think about what they still would like to accomplish before graduating

Materials Needed: Senior Year Reflection questionnaire

Procedure: Have students take time to answer the questions so they will be prepared to discuss their answers

Discussion Questions: Ask students to share their individual thoughts about how they feel as their high school days come to a close.

Closure: Address any concerns regarding discussion

Next Advisory Lesson: Scholarships
