

A Meningitis vaccination is required for entry into the 12th grade as mandated in the Ohio Revised Code (ORC) 3313.671.

The State of Ohio mandates that school children not in compliance be excluded from school after 14 school days (on day 15).

Be sure to have the doctor’s office or the Huron County Public Health office complete this form after vaccinating your child. Return this completed form to your child’s school.

Student’s name: _____

	Date received	Date received	Date received	Given by
