Absences during exam week: Permission from an administrator is necessary for students to make-up a missed exam! ***Students will not be allowed to take an examination early under any circumstance.*** If a make-up exam is approved, the student will take the exam during the make-up time on 6/10. If this is not possible, the make-up exam will be scheduled for the first available date. ***Exams will not be administered during the 4th of July holiday period.***

All classes are expected to administer a semester exam.

Missed examinations will result in a zero being posted to the student's grade until fall 2020.
