Murrieta Mesa High School

April 2022

A Message from**Mr. Richards—MMHS Principal**

Dear Ram Parents and Students,

We are already in April and headed into the home stretch for the 21/22 school year. Graduation is less than two months away. Parents, please encourage your students to stay focused and do the best they can in these last months. Here are a few announcements and other items for this month:

Juniors will be taking the State tests (CAASPP) this month in Science, English, and Math ([schedule for testing](#)). As a reminder, please make sure to bring your charged school device and your charger during your testing days. Please ensure that students are present and do their very best. Mesa is rooting for all of you!

The Class of 2025 is hosting a free movie night on Friday April 15th. Be sure to bring a chair and/or blanket and hang out with friends.

Rampage is coming back on Friday, April 22nd! For those of you that weren't around pre-pandemic, this is an evening event where students participate in a class level competition against the other grade levels. The energy and excitement is through the roof, and we are excited that our students can once again participate in such a great and memorable event! More information to come throughout the month.

Be sure to mark your calendars for our annual Talent Show, hosted by the Class of 2024. We can't wait to support all students as they perform their talents on Friday April 29th.

Spring sports are doing amazing things right now! Softball, baseball, boys volleyball, boys and girls lacrosse, swim, boys tennis, stunt, boys golf, and track and field are all doing extremely well. Come out and support our amazing spring teams and student athletes!

As always, thank you for all you do in supporting Mesa!
