Registration (continued)...

The registration process will assure students that their schedule is complete and students are ready to attend classes on the first day of school: Monday, August 9, 2021.

Please read carefully all the materials in your packet as they contain important information that you will refer to throughout the school year.

We want your student to have a successful 2021/2022 school year at Eisenhower High School.

It is important that each student's schedule fulfills his/her graduation and college entrance requirements. Schedule changes will only be made when necessary. A great deal of effort has gone into placing each student in their choice of classes.

Tentative class scheduled will be issued if Online Registration is complete. If assistance is needed to complete Online Registration, please contact the school at (909) 820-7777.

NURSE'S NOTE...

1. All health problems new and old need to be reviewed with the nurse the first week of school.
2. Medication is not allowed on school premises unless the student has a written doctor's order in the nurse's office.
3. Medication orders need to be renewed each school year.

Dresscode Guidelines:

Dress Code is in effect beginning the 1st day of school. Students who fail to comply with the Dress Code guidelines will be subject to disciplinary action. The following are general dress code guidelines to keep in mind when planning what to wear to school:

- Shoes must be worn at all times.
- Clothing, jewelry and personal items shall be free of writing, pictures or any other insignia which are crude, vulgar, profane, depicting violence or could create an unsafe disturbance by virtue of its content.
- Clothes must cover undergarments and/or private areas.
- Any clothing, make-up, hair style, hair color, or hair accessories that attract undue attention, distracts from the educational process, and or implies group affiliation, is not permitted.
- Hats may be worn outside only and must be removed when entering the building.

For complete guidelines, please refer to your Student/Parent Handbook.

LIBRARY INFORMATION

Text/Library books will NOT be issued during the registration process. All books will be available digitally and hard copies will be available once the school year starts upon request.

All books issued in past school years should be returned to avoid charges. They may be brought in to the Administration Office or during Registration.
