SUGGESTIONS FOR PARENTS

HOW WE COMMUNICATE...

Students can email or send a message on the Band app anytime. We also use the school issued Gmail account (jpsms.org) as well as school status to send messages to students.

* Parents make sure to update your address and phone number if they change. School Status will only allow me to call the number provided in the system. We can only mail documents to the address provided.

We use the Band app frequently. The Band app will also allow you to send messages directly to my phone. If you chat with me after hours, I will respond the next day.

Periodically, we will host a social/emotional meeting via zoom to check in with you. We will also drop in some classes to see how things are going.

ACADEMIC COUNSELING SESSIONS

We will be hosting Individual Virtual Academic Counseling Session with every student/parent. In these meetings we will discuss:
