Busy Bunny!

By Lenore Hetrick

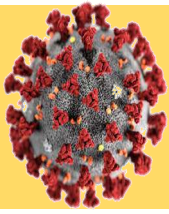

The Easter Bunny has been busy.
That for sure I know!
You should have seen what he brought
me
A little while ago

Candy Eggs and chicken eggs
Painted a rainbow riot!
I don't know when he made his visit
For he was very quiet

Oh, how busy he must have been!
Many long hours for Sir Rabbit!
But I'm glad that he enjoys working-
And I hope he keeps the habit!

COVID-19 School Closures School Meal Program

Thursday, April 9th will be our last day for distributing student meals. We apologize for any inconvenience this may cause.

Principal's Letter

BWCS Parents and Guardians,

We here at Blackwater Community School wish you all a Happy and Safe Easter. Please continue to follow the safety guidelines as released by community's health department and CDC.

Blackwater Community School Board of Trustees have decided to close our school for remainder of the year. While the school is officially closed, we will have limited staff on grounds from time to time. We will continue to answer office calls Monday thru Friday from 7:30 to 3:30, remotely.

Teachers have developed bi-weekly lesson plans with a blended mode of learning, online and hard copy, assignments. Bus drivers delivered learning material on Friday, March 27 and will make another delivery to the homes in Blackwater with additional resources this Thursday, April 9. All teachers, including special education and interventionists have provided their personal phone numbers for students and families to reach them, directly. Student laptops are available for check out in the front office until 1:00pm on Thursday, April 9. If you are unable to come to school, please call the school at (520)215-5859, we will try to arrange drop off for the laptop.

It is the expectation that assignments will be completed (call teachers if you need help) and students will receive grades for the 4th quarter on their report card. Parents will need to drop off completed work in the front office Monday thru Friday from 7:30-1:00 (excluding the Easter holiday Friday, April 10 and Monday, April 13). We know this is very different from our normal school routine; however, during this trying time, we are continuing to provide learning opportunities and structured routines for students.

If you any questions, please call the school and we will be happy to assist you.
