ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
 2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
 3) Educational excellence trust funds are included in state foundation funding aid and are restricted pursuant to ACA § 6-5-307.
 4) The combination of NSL state categorical (plus), NSL transitional (plus or minus), NSL state categorical withholding (minus), and NSL growth funding (plus) equals the total net NSL state categorical funding received by a school district. The NSL state categorical funding rate increases or decreases in \$175 increments for districts in transition.
 5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY19 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) is published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous).
