Shumway Elementary School

First Quarter

Dear Shumway Families,

One way you can support our school is through the Arizona Public School Tax Credit program that is available to all Arizona tax payers. Arizona State Law (A.R.S. 43-1089.01) allows you to get a tax credit when you give up to \$400 (for joint tax returns) or \$200 (for individuals) to a public school for extracurricular activities. Instead of money going to the state treasury, it goes straight to helping our students. The funds do not get added to the school district's budget; they stay at Shumway to benefit Shumway students. For example, if you owe state income tax at the end of the 2014 tax year, you could owe them as much as \$400 less following a donation to Shumway Elementary. If you qualify for a tax refund, your donation would increase your tax refund by the amount donated.

It is easy to participate in the Arizona Public School Tax Credit! Just complete the attached the form and return it to the school office with your check. You may also contribute on-line at www.cusd80.com. The district will issue you a receipt for the amount received. You then claim the tax credit when filing your 2014 taxes. Contributions must be made by December 31, 2014 to be eligible.

Yours truly,
Dr. Korry Brenner

Health Office News

Every year, a number of students become ill for many reasons, including exposure to other ill children in the classroom. To help you make decisions about whether or not to send your child to school, we have put together a list of indicators to help you to decide. A child should not be in school and will be sent home if the following conditions(s) are present.

1. Fever 100 degrees or higher. A child should be fever-free for 24 hours (without medication) before returning to school.
2. Persistent cough.
3. Sore throat with fever and/or white spots on the throat.
4. Rash with fever illness, such as chicken pox, measles, etc.
5. Nausea, vomiting, or diarrhea. A child should be free from symptoms for 24 hours before returning to school.
6. Red, itchy, and draining eyes. If conjunctivitis or "pink eye" is diagnosed, the child must be on medication for 24 hours before returning to school.
7. Prolonged headache and/or stomachache.
8. Swelling or pain at a level that may interfere with learning.
9. Earache.
10. Toothache.
11. Head lice – A child must remain at home until treated with medicated lice shampoo and the nits are removed. The child must be cleared through the health office before returning to school. Chandler Unified School District enforces a no-nit policy.

If you have any questions please contact Nichole Wesemeyer, Health Assistant, at 812-7402.

If your child is going to be absent please call the Attendance line at 480-812-7403. This is a 24 hour, 7 day a week voicemail system. Please include the day of the absence, child's first & last name, teacher's name, reason for the absence and who is calling. *Thank you!*

A few reminders:

- **Students should not be on campus until 7:50am.** Before this time there is no supervision on the playgrounds or surrounding areas. Students safety cannot be guaranteed.
- All parents coming on campus **MUST** go through the front office to sign in and receive a "Visitor" tag. **Parents will no longer be allowed to go through the gates in the morning.** This is for the safety of all the students and staff.
- Parents, if you would like to meet with your child's teacher please set up an appointment before hand. Teachers are preparing for their classroom before and after school and may not be available for a drop-in meeting. A pre-planned appointment will help make sure everyone is available and on time.
- For the safety of our students, staff and community dogs are NOT allowed on the campus grounds or playground area during school hours. Please be mindful to keep your puppies/dogs at home.

Shumway Yearbooks

Also, keep an eye out for more details from PTO on the Yearbook Signing Party at Peter Piper Pizza on Wed, May 20th.
