Letter from the Ryerson PTO Executive Board

Dear Ryerson Families,

Wow! 2016 has arrived and we are three months from the end of the academic year! When we look back on all that has happened over the past few months, we are filled with gratitude for being a part of this school community. During the hectic rush of the holidays families were incredibly generous. First, your donations to the food drive in support of the Madison Food Pantry in November weighed in at over a whopping 375 pounds. In December we found the Toy Drive box was overflowing in the lobby and food selections were in abundance at the Teacher Holiday Lunch. In addition to all that, many families found the time to purchase an extra book or two to help the Mauro-Sheridan inter-district Magnet School for Science, Technology and Communications in New Haven. This was a school wide effort that Principal Spooner championed as part of our winter assembly. Thank you for this unwavering support!

We also thank you for supporting all the programs at the school by involving your children. Winter Workshops had over 100 participants, and our Wednesday morning Chess program is at full capacity with 33 students! The 2nd Annual Talent Show was represented by students in every grade K to 4. We appreciate your children enjoying the activities. This kind of encouragement is very meaningful to the Ryerson PTO.

In the pages that follow you can find more information about the past and upcoming PTO activities at Ryerson. If you would like to volunteer or have any questions, please feel free to contact any Ryerson PTO Executive Board member. You can find each member's contact information, as well as future meeting dates, on the Ryerson PTO website.

Best Wishes,
Ryerson PTO Executive Board

Square 1 Art

It's back! In the Square 1 Art fundraiser, your child's artistic talent will be nurtured and memorialized. This fundraiser is loads of fun for kids and parents alike. Our children are working hard creating their designs in art class with Mrs. Smith. On March 28th, stickers of your child's creation will be sent home and you will have an opportunity to purchase fun objects that showcase their creation--pillowcases, shirts, coffee mugs, cookie plates, notecards, etc. The order deadline will be April 6th to ensure these items arrive in time for Mother's Day. What a perfect way to remember this special year of your child's life at Ryerson.

Thank you to Mrs. Smith for your assistance with this PTO fundraiser. For any questions about Square 1 Art please contact Kelly Bettuchi at kw1362@att.com.

April 29: Give to Grow 2016

On Friday, April 29th, please join us at Give to Grow, our 4th annual fundraiser to support the arts and sciences at Ryerson. This is a night for us to leave the children at home, come together as adults and have fun! Give to Grow will be held from 7 p.m. to 10 p.m. at the Madison Senior Center. Information will be coming home soon for ticket orders. There will be active food stations and jazz music, as well as a live auction. Children's artwork and the coveted "Reserved Parking Spot" are popular items that will be on the bidding table again this year. We are still seeking volunteers to help make this event a success. If you would like to volunteer, or have any questions regarding the event, please contact Carol Ahlijanian at cpenahl@yahoo.com,

Spaghetti Dinner Fundraiser

The morning of February 5th brought us our first official SNOW DAY. It also made for some tricky decision making on whether or not to move forward with our planned spaghetti dinner night. The meatballs had already been prepared so the Ryerson PTO decided to proceed as planned. We are so happy that we did. Thank you Ryerson families for coming out and supporting this event. We made close to \$850 dollars once we accounted for our food expenses. A huge thank you goes to Kevin Wolfe who worked magic in the kitchen of the Madison Senior Center plating salads and dinners, coordinating our "wait staff" and washing dishes! We also appreciate the helping hands of Janice Lehman, Beth Ackerman, Michelle Menard, Bee Gordon, Pam Schneider, Andy Schneider, Madeline Schneider and Noelle Solis. The Ryerson PTO would also like to thank Lauren Osterling for her generous donation of the dessert - cannoli from Meriano's Bake Shoppe.

Science Exploration with Cool-ology

Students had a great time participating in Science Exploration, an afterschool program with Cool-ology. This program introduced the children to chemistry, physics, and engineering, through projects that they worked on in groups. They were really excited to explore the world of science through hands on projects. They learned to work as a group, and collaborate with their peers while designing their scientific experiments. We would like to thank Linda Maniatty, Ingrid Velentzas, and Laura Overton for volunteering and making this program possible. If you are interested in being chairman of this event, or just interested in volunteering, please email Linda at seaestalc@aol.com.

Winter Workshops

Bee Gordon and Pam Schneider organized Winter Workshop this year. They had 120 students eager to participate in Basketball, Science, Crafts, Bakers, Computers, Theaters, Legos, Scrapbooking and Jewelry Making. Holiday Luncheon for Ryerson Staff

On December 17th, the PTO sponsored our traditional holiday luncheon for the Ryerson staff. Beth O'Keefe, Hospitality chair, organized and oversaw this beautiful event. Special thanks go to all the parents for their generosity and time in contributing the savory dishes, sweet treats, and refreshing drinks for our spectacular Ryerson staff to enjoy!

Winter Assembly

On December 18th, the Ryerson community came together for a winter extravaganza of fun! Librarian Tina Perry and Paraprofessional Jennifer Carone put together a fantastic slide show of students enjoying their favorite winter activities. Mrs. Spooner read Snowman's Story by Will Hillenbrand. This wordless story came to life with a school full of authors - your children. Every class helped to put words to all the pictures and the final story was read to all! Another component of the program was to integrate a community outreach initiative. Our school community collected books to donate to the Mauro-Sheridan inter-district Magnet School for Science, Technology and Communications in New Haven. The generosity of Ryerson families is amazing! Thank you for helping our supply to these K-8th graders to be so plentiful! The celebration concluded with an exuberant holiday sing-a-long led by music teacher, Christine Murphy.
