Dear Parents and Guardians:

We are pleased to announce that **Waterbury Public Schools** will be participating in the National School Lunch and School Breakfast Programs. It is called the Community Eligibility Provision (CEP) and will continue for the 2015 - 2016 school year. In a CEP school, **ALL** students will receive a nutritious breakfast and lunch at no cost, regardless of family income.

To ensure that your child continues to have access to the free breakfast and lunch program, **the Waterbury Public Schools is requesting that parents of students new to the district complete a financial survey.** The information provided will help ensure that your child continues to benefit from such a great program.

If you receive such a request, please complete the form and return it to your child's school by September 15th, 2015. This financial form will be distributed as soon as it becomes available over the next couple of days. Your assistance in maintaining current funding levels is greatly appreciated. If you have any questions, please contact the **Food Service Office at 203 574-8195.**
