

*Strive for the
impossible, and be
extraordinary!*

September 2, 2016

Dear Knights,

This one will be short I promise. We wanted to give you a quick reminder about the dress code. We have noticed several students who are wearing skirts that do not meet the dress code guidelines. Skirts need to be two inches above the knee or longer. When students get sent up to the office for dress code we always remind them of the two-inch rule. Many times students will bend over to make the skirt come closer to their knees. Additionally, students forget that when they put on their backpacks that it can cause the skirts to rise up in the back. We have reviewed our expectations with the students on the announcements, and we are asking for your help with this too.

I wanted to say thank you personally for all of the support that our families gave to support our CEF 100% awareness drive. CEF supports our Chandler schools and students, and we appreciate you supporting our efforts to support them.

Our Healthy Families night is right around the corner! Thursday September 22nd, at 5:30pm here at ACP Oakland. This program is for 7th graders and their parents. We are planning a very valuable and educational experience that will help our students cope with the pressures of being a teenager today. If you are interested, please click on the link below and sign up to reserve yours spot.

One last thing, I promised this would be quick. No school on Monday. Have a safe and relaxing weekend.

Jayson Phillips
Principal – ACP Oakland

Arizona College Prep - Oakland Campus
