DRIGGS SCHOOL

February 2016, Issue 6

Michael Theriault, Principal

Aimee Misset, Vice Principal

Principal's Message:

I would like to encourage every parent to help keep their children focused on school. Winter seems to get long this time of the year and students need to be encouraged to stay involved in activities and school work. Parents and teachers have the same goal - to provide the best education for their children/students. Working together we can maximize the educational opportunities for every child.

Mr. Theriault Principal
