Aimee Misset, Vice Principal

## Principal's Message:

Please continue to keep your focus on your child's attendance. There will be much testing going on in all grade levels, which assist in your child final marking period grades and also promotion to the next grade. Currently only half of Driggs' students have satisfactory attendance. 18% of Driggs' students are considered chronically absent. It is crucial that students come to school regularly to learn critical content and skills. Student success is your priority and our priority to help your child to be successful.

*The School Governance Council and Driggs School Staff are excited to announce our Second Annual Driggs School Career Day. This event will be held on Monday May 23, 2016. We will be having a "Careers on Wheels" event for grades Pre-Kindergarten through Grade 5. During this event, the students will be able to look at different vehicles, such as a construction truck and firetruck and speak to the volunteers who use these vehicles for their careers. Volunteers will be visiting Driggs School and speaking to the students about their careers to expose our students to a wide variety of career opportunities.*
