INFORMATION OF INTEREST THIS WEEK:

PowerSchool has changed the way **Unified Classroom** customers are logging onto the parent and student portal for the mobile app. Parents and students will no longer need two different login credentials, one for desktop and one for mobile. Parents will need to create a Unified Classroom account in order to enter in this information for the mobile app. Once the account is created, parents will use the same email and password for both the computer/desktop version of Unified Classroom and the mobile app.

Students:

Students' Unified Classroom accounts are set up for them. If they've set their password before, they can just enter the information (email and password). If they don't remember their password, they

can use the forgot password option, enter in their school email and it will send them a reset password link.

Parents:

1. Parents who HAVE a Unified Account already created – just use their email and password they’ve already set up to log into the mobile app.
2. If parents DO NOT have a Unified Classroom Account created, please visit the Tolland Public Schools website and click on the PowerSchool link in the upper right-hand corner, then Parent on the left menu for instructions on how to create your Unified Classroom Account.

PJ Day – December 13

December 13, 2019 – [Click Here](#) to donate or bring \$1.00 to school on December 13 to wear your pajamas to school!

We are excited to raise money for Connecticut Children’s and get our name on the PJ Day map! We look forward to joining with other schools and businesses across the state to honor patients who must wear their pajamas for days, weeks, or longer while fighting cancer or other serious illnesses and to raise money for Connecticut Children’s Medical Center.

We hope you will consider making a donation in honor the young patients who turn to Connecticut Children's for hope. Help us help kids who need it most!

Over the last 7 years, PJ Day has raised more than \$375,000 for the Center for Cancer and Blood Disorders at Connecticut Children’s Medical Center! Together, we can make a difference for these courageous kids!

RAGE ROBOTICS

East of the River FIRST LEGO League (FLL) Tournament

On November 23, RAGE Robotics hosted the East of the River FLL (FIRST LEGO League) Tournament. A total of 24 teams from around the state of CT, including 3 teams from Tolland Middle School, attended the tournament. At the competition, teams competed with LEGO Mindstorms robots that they built and pre-programmed, presented an innovative design project about improving our community and were judged on their gracious professionalism towards their teammates and competitors.

Tolland's 3 FLL teams had a total of 25 TMS students participating. The teammates began meeting back in September, were coached by parents and mentored by 10 different RAGE students. Each team did excellent work and we are excited to report that one team, the International Construction Pandas, qualified for the State Tournament as a result of their excellent robot match scores and a second team, the Brickitects, received an award for their innovative robot design. The State Tournament will be held on December 7 at Shelton High School.

The competition was hosted by RAGE Robotics, Tolland's high school robotics team, who had more than 30 Tolland students and 15 Tolland adults volunteering their time to host the tournament. All 4 teams had a great time. Below are photos of Tolland's 3 FLL teams.
