THIS INFORMATION MAY BE PRINTED FROM THE MOUNTAIN BROOK HIGH SCHOOL WEBSITE:
The summer reading program is intended to introduce students to a variety of reading materials. These works should **both supplement and enhance the literary works covered within the school year** curriculum as well as help foster a love of reading. **Students should not choose books they have read previously.**

1. Those students who will be in **College Prep English** (formerly labeled “Regular”) courses are required to read the following books designated by grade level:

10th GRADE: (2 books) **two required, one fiction and one non-fiction**

11th GRADE: (3 books) **two required novels and selections from an anthology of essays** (only sections VIII and X from the anthology are required)

12th GRADE: (2 books) **two required, one fiction and one non-fiction.**

2. **Advanced or AP** classes have separate lists and special instructions.
3. **Dual Enrollment 12** has a separate list.
3. All books should be read by **the FIRST DAY OF SCHOOL in August**. Students should be prepared for class discussion, written analysis, and/or other evaluation the first few days of school.

*It is understood that students will not use *READING AIDS* in lieu of reading actual works.
