

2020-2021 Kindergarten Registration!!

Dear Johnstown and Milliken Preschool Families:

If you have a child who will be five years old on or before October 1st, then he/she will be entering kindergarten for the 2020-2021 school year.

There are two ways to register - as a new student or existing student. If you have never completed the online registration process with the district, then your child is considered a **NEW KINDERGARTEN STUDENT** (directions below). If your child is attending a community preschool through Colorado Preschool Program (CPP) or special education (IEP), then you will register your child as an **EXISTING STUDENT** through the Infinite Campus Parent Portal (directions on back). Infinite Campus Parent Portal should also be used if you have other children currently attending any of the district schools. When using Infinite Campus Parent Portal, choose Campus Parent to continue.

To complete the registration process, you will need to have the following documents to upload (photos work):

- Birth certificate
- Current Immunization records AND Physical/Well-check (physicals expire annually)
- Proof of residency (utility bill dated within the last 30 days, closing documents, lease agreement, etc)
- Any other legal documents applicable (custody documents, etc.)

You will also need an email address to start the process. If at any time you are having trouble or do not have access to a computer, then you can visit the Administration Building, 110 Centennial Drive, Milliken, CO 80543, to use those computers for your convenience.
