SPRING 2020 GRADING CHANGES

On March 13, 2020, Brookfield High School closed due to the COVID-19 pandemic. On March 23, 2020, students began distance learning using an asynchronous model where they accessed lessons and assignments online and completed work independently, with access to teachers via email or virtual office hours. For the fourth marking period, students could elect a numeric grade or a Pass/No Pass/Pass with Distinction mark, which translated to a numeric grade. The final grade for year-long classes was calculated based on these weightings: Q1 = 25%, Q2 = 25%, Midterm = 10%, Q3 = 25%, Q4 = 15%. The final grade for semester-long classes during the second semester was calculated based on these weightings: Q3 = 75%, Q4 = 25%. No final exams were given in spring of 2020. The final grades for all classes factored into GPA.
