DCS Online Privacy and Protection

Dothan City School District recognizes the role technology plays in equipping students for success in a digital world. Students utilize Google Apps for Education (GAFE) for instructional purposes. Other online resources, such as online curriculum and applications, may also be used in the learning process.

Every student will receive training on appropriate use of technology and digital citizenship through the following website:
<https://www.common sense media.org/>

Parents or guardians have the right to terminate their student's access to digital tools and resources by requesting in writing to Opt-Out of technology access. If parents choose to opt-out of utilizing district technology, they should understand this decision may significantly decrease their student's opportunity to collaborate with peers on assignments and projects. This may adversely impact necessary skill development required for success in today's global society.

This Opt-Out request expires at the end of the current school year, and a new one will need to be completed each year. If there is no Opt-Out letter on file, digital access will be granted to the student.

If parents wish to **Opt-Out** of these internet privileges and **DO NOT** wish for their student to participate in Google Apps for Education or other internet options supported by Dothan City Schools, they must notify the school principal in writing within thirty (30) school days of the student's first day of attendance.

The following are links to sites that provide digital protection for your student:

Child Internet Protection Act (CIPA)

Student email accounts are filtered to protect students from harmful digital content. Dothan City School District has policies in place to abide by CIPA regulations. <http://fcc.gov/cgb/consumerfacts/cipa.html>

Children's Online Privacy Protection Act (COPPA)

COPPA was enacted to protect children under the age 13 from third party, commercial companies. This Act limits commercial companies' ability to collect or disclose personal information from children. Dothan City School District utilizes Google Apps for Education (GAFE) without advertisements. This alleviates the threat of third party interference. Student information is for educational purposes only.
<http://www.ftc.gov/privacy/coppafaqs.shtm>

Family Educational Rights and Privacy Act (FERPA)

Student education records are protected by the federally mandated act FERPA. This act gives parents certain rights with respect to the student's educational records. These rights transfer to the student at the age of 18. <http://www.ed.gov/policy/gen/guid/fpco/ferpa>

FERPA requires that the Dothan City School District, with certain exceptions, obtain parent's written consent prior to the disclosure of personally identifiable information from your child's education records. However, Dothan City Schools may disclose appropriately designated "directory information" without written consent, unless the parent has advised the district to the contrary in accordance with District procedures.

The primary purpose of directory information is to allow the Dothan City School District to include information from your child's education records in certain school publications. Examples include, but are not limited to, the following: A playbill, showing your student's role in a drama production;

- ☐ The annual yearbook;
- ☐ Honor roll or other recognition lists;
- ☐ Graduation programs;
- ☐ Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks, take pictures, or process data.

In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the *Elementary and Secondary*

Education Act of 1965, as amended (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student’s information disclosed without their prior written consent.

If parents do not want Dothan City Schools to disclose ‘directory information’ from their child’s education records without their prior written consent, they must notify the school principal in writing within thirty (30) school days of the student’s first day of attendance. Directory information may, but does not have to, include the following information:

- ☐ Student's name
- ☐ Address
- ☐ Telephone listing
- ☐ Electronic mail address
- ☐ Photograph
- ☐ Date and place of birth
- ☐ Major field of study
- ☐ Dates of attendance
- ☐ Grade level
- ☐ Homeroom
- ☐ Participation in officially recognized activities and sports
- ☐ Weight and height of members of athletic teams
- ☐ Degrees, honors, and awards received
- ☐ The most recent educational agency or institution attended
- ☐ A student number assigned by the District (in some cases*)

*In order to make certain software application available to students and parents, the District may need to upload specific ‘directory information’ to the software provider in order to create distinct accounts for students and/or parent. In these cases, the District will provide only the minimum amount of ‘directory information’ necessary for the student or parent to successfully use the software service.

DOTHAN CITY SCHOOLS PUBLIC NOTICE FOR GIFTED ASSURANCE

Gifted students are those who perform at or who have demonstrated the potential to perform at high levels in academic or creative fields when compared to others of their age, experience, or environment. These students require services not ordinarily provided by the regular school program. Students possessing these abilities can be found in all populations, across all economic strata, and in all areas of human endeavor. Teachers, counselors, administrators, parents or guardians, peers, self, or any other individuals with knowledge of the student’s abilities may refer a student. Additionally, all second-grade students will be observed as potential gifted referrals using a gifted behavior checklist. For each student referred, information is gathered in the areas of Aptitude, Characteristics, and Performance. The information is entered on a matrix where points are assigned according to established criteria. The total number of points earned determines if the student qualifies for gifted services. To make a referral, contact the Resource Specialist at your child’s school.

INTRODUCTION

The Dothan City Board of Education recognizes fully the constitutional rights of students enrolled in its schools. The Board recognizes equally, however, its obligation to establish policy related to student behavior and discipline, which assures that a proper atmosphere for learning will be maintained within every school serving the City of Dothan.

All students of the Dothan City School System are charged with the responsibility to conduct themselves in a manner appropriate to good citizenship. Student conduct shall be founded on the basic concept of respect, consideration for the rights of others, and applicable laws.

The Board believes that the kind of discipline preferable in a democratic society is that of self-discipline. It considers self-discipline as a learning process whereby the individual progressively learns to develop habits of self-control and recognizes his/her own responsibilities to society. Behavior and discipline policies shall, therefore, demonstrate recognition of both individual student constitutional rights and paramount need for maintaining a proper atmosphere for learning within each school.

EQUAL EDUCATION OPPORTUNITY STATEMENT

Dothan City Schools does not discriminate on the basis of race, color, religion, national origin, sex, age, disability, marital status, or military veteran status, as is defined by law, in admission, operation, or employment of its educational programs and activities, as prescribed by Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, sections 503 and 504 of the Rehabilitation Act of 1974 and 1975, Americans with Disabilities Act 1992, and other federal and state laws and regulations. The following people have been designated to handle inquiries regarding the non-discrimination policies: Alicia Hales, Section 504/ADA Coordinator, Lee Jacobs, Titles II, VI, and Migrant Specialist, Debra Wright, Title IX Director, Scott Faulk, Homeless Liaison, Debra Wright, English Learner and Immigrant Specialist, 1665 Honeysuckle Rd., Suite 1, Dothan, AL 36305, 334-793-1397.

DUE PROCESS

It is the policy of the Board to adhere to the basic tenets of due process when carrying out the procedures contained in this handbook. Furthermore, the Board and the educational staff employed by the Board will comply with the legal elements of due process, which include procedural due process and the substantive due process. With regard to procedural due process, students should be informed of the rules and regulations applicable to them, should receive adequate notice of any charges that they have violated those rules and regulations, and should be given an appropriate opportunity to be heard on any disciplinary matter. With regard to substantive due process, the rules and regulations adopted by the Board should be reasonably related to the legitimate purpose and function of the school system. The Board requires principals to familiarize their staff with the basic tenets of due process and provide them a copy of this handbook published with the following concepts in mind:

1. School rules must be clearly stated and related to the educational purposes of the schools.
2. When serious disciplinary action is involved, school personnel and students must comply with actions set forth in the *Code of Student Conduct* and procedures set forth in Administrative Procedures.
3. **Appeal Hearing** – A parent has the right to appeal the principal or Tribunal's decision to suspend, place a student at alternative school, or recommendation of expulsion. The decision of the Student Disciplinary Tribunal may be appealed by submitting a written notice of appeal to the Superintendent within twenty (20) calendar days from the date the decision is delivered to the parent/guardian via phone call from the Auxiliary Services Department. The appeal should be sent to the attention of the Superintendent at 1665 Honeysuckle Rd, Suite 1, Dothan, Alabama 36305.
4. **Withdrawal Process** – A student will not be allowed to withdraw from one school to enroll in another school within Dothan City Schools while under suspension, expulsion or while pending a hearing.
5. **Make-up School Work** – A student will be given the opportunity to make up any work that is missed during the suspension. Full credit will be given to a student if the work is complete and correct.
6. **Rules** – School rules must be fair and specific enough for students to know what they may or may not do.
7. **Informing** – Students, Parent/guardian must be informed of the rules affecting behavior and discipline.
8. **Students / Parents** – Students will be given an opportunity to present their version of events that led to the suspension and / or alternative school placement. At the hearing, students and parents will have the right to present witnesses and evidence, to examine any and all witnesses presented, and to have an attorney, at the parent's expense, to represent the student. The student and parent shall be afforded an opportunity to present and respond to evidence and to examine and cross-examine witnesses about any matters logically relevant to

the charge against the student. The parents or legal guardian of the student and any victims may give testimony at the hearing and make a statement to the Student Disciplinary Tribunal concerning their feelings about the proper disposition of the case and to answer any questions. The student may be represented by counsel at the student's expense at the hearing. If parents intend to be represented by counsel at the disciplinary hearing, the parents must notify the school forty-eight (48) hours prior to the start of the hearing so that the school district may elect to retain legal counsel to represent its interests. The student and parent shall be entitled to subpoena witnesses for the hearing. A student or parent/guardian shall submit all requests for subpoenas to the student's principal at least forty-eight (48) hours prior to the time of the disciplinary hearing. A parent/guardian and student may choose to waive the student disciplinary hearing and accept the appropriate consequences for the incident by completing and signing a Hearing Waiver. By submitting a waiver, the parent/guardian and student agree to the decision and waive any future challenges and appeals relative to that incident. In such cases, an agreement may be negotiated which would include the parent's or student's waiver of right to hearing before a disciplinary tribunal, the state charge(s) and the agreed upon consequence. Students will be allowed to present a witness list, written evidence and defend their action (all evidence presented must be pertaining to the case at hand). The parent will be given an opportunity to comment on the incident. Students and parents have the right to legal counsel at the due process hearing. Per Principal recommendation, the student will be placed at the alternative school until the due process hearing. If a student chooses to remain off school campus until end of due process, that time will count towards the student's suspension.

9. **Principals** – If student and / or parent request due process, the principal will be allowed to defend his / her actions for recommending suspension and / or alternative school placement. The principal will be allowed to present evidence and other discipline referrals (pertaining to that student) to demonstrate a pattern of behavior.

Note: Dothan City Schools' administrators, teachers and staff do take into consideration the student's age, health, decision-making ability and disability or special education status and seriousness of the incident prior to imposing consequences and intervention. Also, it is important to know that Dothan City School employees will make every attempt to contact parents / guardians whenever a student has violated the Code of Conduct.

 - positive, cooperative attitudes toward Parents/Guardians, students, co-workers, and the total school program.

STUDENT RESPONSIBILITIES AND RIGHTS

Students have rights that schools must observe, but they will also understand that personal responsibilities accompany individual rights. Furthermore, the rights of students will be viewed in relationship to the safety and welfare of the majority of students in the schools. Above all, schools will maintain discipline to conduct a quality educational program.

Student rights are:

1. the right to an education.
2. the right to due process.
3. the right to free speech and expression.
4. the right to privacy – property of students (Students shall have privacy of personal possessions unless designated school personnel has probable cause to believe a student possesses any object or material that is prohibited by law or school policy).
5. the right to participate in school programs and activities.

Student responsibilities are:

1. to engage in the serious business of learning.
2. to obey the laws of society and school rules.
3. to express opinions in a manner which is not offensive, illegal, obscene or inconsistent with the educational goals of the schools.
4. to avoid illegal and dangerous items.
5. to adhere to school rules and procedures in order to participate in school programs and activities.

JURISDICTION OF THE BOARD OF EDUCATION

Students enrolled in the Dothan City School System are subject to the policies of the Dothan City Board of Education and to the rules and regulations of the schools. This authority applies to all school sponsored activities including, but not necessarily limited to the following:

- transportation on school buses or charter buses, including field trips,
- club or organization meetings,
- occupants in an automobile driven or parked on school property,
- school groups representing the school system in educational events,

The Code of Conduct is in effect during the time a student is transported under the sponsorship of the school system and during the time he/she is attending school, is attending a school-sponsored event, or is a participant in a school-sponsored event as noted above. The pupil shall be under the control and supervision of the principal, the teacher, other staff member in charge, or the bus driver as assigned.

IMPORTANT PARENT/GUARDIAN INFORMATION

Agencies Offering Assistance to Families

Any Parent/Guardian or individual responsible for a student enrolled in the Dothan City Schools needing assistance with the student is encouraged to seek support by contacting the school principal, the school counselor, or an agency serving families. The school counselor has a list of agencies that can provide assistance.

Dothan City Schools has partnered with SpectraCare Health Systems to form the S4 program that offers individual and family therapy to students. This service is provided by a Masters Level Therapist who is trained to assess and make outside referrals for assistance if necessary. The community agency **United Way 2-1-1** is available to connect individuals with agencies that can help with almost any situation.

Parents/Guardians Responsibility (Act 94-782; Ala. Code 16-28-3)

The Alabama Legislature passed Act 94-782 stating that Parents/Guardians are responsible for enrolling their children in school, ensuring that they attend school regularly, and that they conduct themselves properly as pupils.

The Dothan City School System recognizes the privilege and the responsibility of Parents/Guardians in supporting and demanding responsible behavior from their children. In an effort to ensure Parents/Guardians awareness and acceptance of that responsibility, reasonable efforts will be made to contact Parents/Guardians regarding Class II and III misconduct. Reasonable efforts will be made on Class I offenses if such misconduct is continuing and notification is needed. Reasonable efforts may include one or more of the following: telephone calls, copies of referrals, Parents/Guardians conferences, letters to Parents/Guardians, registered mail, and when possible, home visits. In the event of continued misbehavior, Parents/Guardians may be asked to sit in class with their child. Petitions may be filed with the Juvenile Court if the child is in need of supervision beyond that given by the Parents/Guardians. Warrants may be filed requiring the arrest of Parents/Guardians who do not require their children to properly conduct themselves in school.

Parents/Guardians will be responsible for conducting themselves in an orderly manner while on school campus for conferences and any other school-related activities. Parents/Guardians conducting themselves in a disorderly manner are subject to the Criminal Codes of Alabama.

Alabama Act 94-782 requires each local Board of Education to adopt and distribute to Parents/Guardians, and others a written policy of its school behavior standards; requiring Parents/Guardians, and others to document receipt of the plan. Each Parent/Guardian or other person having custody or control of any student required to attend school who fails to require the child to regularly attend the school or tutor, or fails to compel the child to properly conduct him or herself as a pupil in any public school in accordance with the written policy on school behavior adopted by the local Board of Education pursuant to the session and documented by the appropriate school official which conduct may result in suspension of the student, shall be guilty of a misdemeanor and, upon conviction, shall be fined not more than one hundred dollars (\$100.00) and may also be sentenced to hard labor for the county for not more than 90 days. The absence of a child without the consent of the principal, the teacher of the public school he or she attends or should attend, or the tutor who instructs or should instruct the child shall be prima facie evidence of the violation of this section. (see Ala. Code 16-28-16 effective July 1, 2000).

Parent/Guardian Responsibility for Child's Damages (Vandalism) (Act 94-819)

The Parent/Guardian, or other person having control of any minor under the age of 18 with whom the minor is living and who has custody of the minor, shall be liable for the actual damages sustained to school property plus court costs caused by an intentional, willful, or malicious act of the minor.

Notification of Rights Under the Protection of Pupil Rights Amendment (PPRA)

PPRA affords Parent/Guardian and students who are 18 or emancipated minors ("eligible students") certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and

PPRA Notice and Consent/Opt-Out for Specific Activities

The Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. 1232h, requires Dothan City Schools to notify you and obtain consent or allow you to opt your child out of participating in certain school activities. These activities include a student survey, analysis, or evaluation that concerns one or more of the following eight areas (“protected information surveys”):

- Political affiliations or beliefs of student or student’s Parent/Guardian;
- Mental or psychological problems of the student or student’ family;
- Sex behavior or attitudes;

This requirement also applies to the collection, disclosure or use of student information for marketing purposes (“marketing surveys”), and certain physical exams and screenings.

Prohibition on the Possession of Weapons (ALA. Code 16-1-24.1(1975))

No person shall knowingly with intent to do bodily harm, carry or possess a deadly weapon on the premises of a public school. Possession of a deadly weapon with the intent to do bodily harm on the premises of a public school or school bus is a Class C felony.

Gun Free Schools Zone Act of 1995

In compliance with the Federal Gun Free School Zone Act of 1995 and with Alabama law, it is the policy of the Dothan City Board of Education that any student determined to have brought a weapon/firearm, as herein defined, to school, or visible on camera during virtual learning, shall be expelled from the regular school program for a period of not less than one year. Expulsion is defined at a minimum as removing a student from the regular school where the violation occurred. Any school administrator having knowledge of a student possessing a weapon or firearm must follow disciplinary actions outlined in Class III offenses in Code of Student Conduct. However, the expulsion requirement may be modified for a student on a case-by-case basis by the Board. Also, discipline of students with disabilities who violate this policy shall be determined by the Board on a case-by-case basis in accordance with the requirements of the Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act.

Search and Seizure/Safe and Drug Free Schools

In conformance with State Board of Education Resolution 1-2-g and Alabama State Board of Education Administrative Regulation 290-010-020-01, law enforcement agencies shall be allowed to make periodic, unannounced visits to any local public school for the purpose of detecting the presence of drugs.

Lockers, desks, parking lots, and any other fixture or facilities provided for the students are the property of the school district. Also, students are subject to searches by school officials with reasonable suspicion. School officials may conduct searches or use other detection devices within the facilities or on the school campuses at any time that it is felt that alcohol and other drugs, weapons, or any object considered to be harmful to the safe environment of the school may be present. Such visits may include the use of drug-sniffing dogs in schools and classrooms as appropriate

Reasonable Cause

Just or legitimate grounds to believe that a person has committed a crime, especially as justification for making a search, an arrest, etc.

Reasonable Suspicion

Suspicion of criminal activity based on specific and objective grounds, as a legal justification for a search (especially by a police officer) or other action.

CODE OF ALABAMA

16-1-24.1 (1975)

Automobile Search: Any automobile entering any Dothan City School property or any off-campus event(s) sponsored by the school system is subject to a search of the entire vehicle.

Technology: The use of the Internet and e-mail through the DCS network is a privilege; thus, Dothan City Schools reserves the right to read and retain any electronic information transmitted via the DCS-*network*.

Tobacco-Free Environment

The Board of Education is dedicated to providing a healthful, comfortable, and productive work environment for its employees.

The United States Surgeon General, in a 1986 report *The Health Effects of Involuntary Smoking*; concluded that:

- Involuntary smoking is a cause of disease, including lung cancer, in healthy non-smokers.
- The simple separation of smokers and non-smokers within the same air space may reduce, but does not eliminate the exposure of non-smokers to environmental tobacco smoke.

In light of these findings, Board of Education facilities shall be entirely tobacco-free, effective July 1, 1995.

The use of any tobacco products will be strictly prohibited within all schools and other buildings owned by the Board of Education including: offices, hallways, waiting rooms, restrooms, lunchrooms, elevators, meeting rooms, and all community areas. In addition, the use of tobacco products is prohibited on camera during virtual instruction. This policy applies to all employees, students, salespersons, and visitors. Copies of this policy shall be distributed to all employees. "No Smoking" signs shall be posted at all building entrances and throughout each building.

The success of this policy will depend upon the thoughtfulness, consideration and cooperation of smokers and non-smokers. All employees share in the responsibility for adhering to and enforcing the policy. Any problems should be brought to the attention of the principal or superintendent and handled through the normal chain of command. Employees who violate this policy will be subject to the same disciplinary actions that accompany infractions of other Board of Education policies.

Fines for unlawful possession of contraband

Any tobacco or tobacco product found in the possession of a minor is contraband and subject to seizure by law enforcement. Any minor violating Section 28-11-13 shall be issued a citation similar to a uniform non-traffic citation and shall be fined not less than ten dollars (\$10) nor more than fifty dollars (\$50) for each violation. The minor shall not be required to pay any other court costs or fees. Any statute or law to the contrary notwithstanding, disposition of any violation shall be within the jurisdiction of the district or municipal court and not the juvenile court. Violations shall not be considered criminal offenses and shall be administratively adjudicated by the district or Municipal Court. (Acts 1997, No. 97-423, p. 721, 14)

Pending Criminal Charges

Any student charged with violating a local, state, and/or federal law which constitutes a felony offense, or that involves any violent crime or use of any type of weapon, shall not be allowed to return to school until the superintendent approves the return. The Superintendent may require a psychological evaluation and / or a threat assessment before determining whether return to school is appropriate. Any work missed shall then be classified as excused and the student given an opportunity to make up work following the policies set for the Dothan City Board of Education.

IDEA students who violate this policy shall be dealt with in accordance with the disciplinary methods outlined in the IDEA and Alabama Administrative Code 290-8-9-09 (1).

LAW ENFORCEMENT

Law Enforcement officers have the right to come on campus to interview students as suspects or witnesses.

The Board of Education authorizes building administrators to release minor students into the custody of a law enforcement officer upon presentation of a court order or warrant for the student's arrest. The student may be removed from school premises if the officer or school administrator has reason to believe that the student has violated the law.

The police department, juvenile court services, or other law enforcement agencies may be informed regarding the misconduct of a student on all Class III Offenses that have been marked by an asterisk. Such notification may result in an arrest, a petition, a complaint, a warrant, a conference with law enforcement officials and/or other actions deemed appropriate by the agencies involved.

The Role of the School Resource Officer

The School Resource Officer (SRO) is a certified police officer who is assigned fulltime to a school. SRO's receive hours of ongoing specialized training. The SRO knows the public he / she serves on a first name basis and is sensitive to their particular needs.

As a **liaison**, the SRO works in conjunction with the school administrators and the police investigative services to promote a safe environment not only for the students, but also, for the teachers and staff of Dothan City Schools.

As a **law enforcer**, the SRO works with school administration to investigate criminal violations that involve students as victims or suspects. The student's knowledge that criminal incidents will be investigated is in itself a deterrent to delinquent behavior—a primary goal of the SRO program. Security and safety within the school are other concerns of SROs. They evaluate situations and make recommendations to school administration in reference to safety issues in the school. The mere presence helps to deter unwanted persons from visiting school campuses.

As an **instructor**, the SRO visits classrooms to make presentations of a law-related nature such as drug education, the role and history of police in society, and other topics. SROs are also available as a resource for teachers in developing specialty programs tailored to specific units of study, court procedures, citizenship, self-esteem, forensic science, etc.

As an **advisor**, students are encouraged to seek the personalized attention of SROs. Each officer is specially trained to conduct informal, individual or group conferences with students, parents, and family members regarding law-related problems and crime prevention techniques.

Some additional responsibilities of SROs extend far beyond the classroom and normal workday. Officers participate parent, teacher, faculty meetings, student social and school sponsored sporting events.

The Role of the School Protection Officer

School Protection Officers (SPOs) are sworn, reserve Dothan Police Officers as defined in General Order 100-14. The primary purpose of SPOs is to safeguard life and property; protect students, employees and property of Dothan City Schools. The position is not limited to public schools should a request be made by private school enterprises. Public schools will however be the first priority regarding staffing requests.

School Protection Officers are the first line of defense in protecting our schools. In the event of a dangerous situation, SPOs should focus on sounding the alarm as soon as possible. SPOs should utilize cover and aggressively react to neutralize threats to their areas of responsibility.

TRUANCY LAW

The Parental Responsibility Statute requires parents to enroll their child in school, assure that the child attends school regularly, and compel the child to properly conduct him or herself. Generally, each parent, guardian, or other person having control or custody of any child required to attend school, who fails to have the child enrolled in school, who fails to send the child to school, or fails to require the child to regularly attend the school, or fails to compel the child to properly conduct himself or herself as a pupil in any public school in accordance with the written policy on school behavior adopted by the local board of education pursuant to this section shall upon conviction face a fine of up to \$100 and may also be sentenced to hard labor for up to 90 days in jail. The absence of a child without the consent of the school he or she attends (or should attend) shall be prima facie evidence of the violation of this section. Code of Ala. 16-28-12(a).

Alabama law also provides that it shall be unlawful for any parent, legal guardian, legal custodian, or other person to cause a child to fail to attend school as required by compulsory school attendance law or to willfully aid, encourage, or cause any child to become or remain delinquent, dependent, or in need of supervision. Code of Ala. 12-15-111 (a)(1), (a)(3). A violation of this provision is a Class A misdemeanor and the parent/guardian/custodian faces up to one year in jail and up to a \$6,000 fine.

In addition, students that are truant face school discipline as well as possible sanctions through juvenile court, such as court ordered appearances, probation, electronic monitoring and/or curfews, out-of-home placements, payment of court costs, and/or extensive counseling.

Each local Board of Education has adopted a written policy for its standards on school behavior. Such written policy is provided at the commencement of each academic year. By your signature, you acknowledge and agree that you have read and understood the written policy of your child's school as to attendance and appropriate school behavior.

TRUANCY PREVENTION PROGRAM

Parent/Guardian of students who are excessively absent from school may be required to attend the Truancy Prevention Program. A Dothan City Schools' Parent/Guardian Involvement Specialist will be present to discuss Parent/Guardian responsibilities and assistance programs.

Students who accrue (6) unexcused absences within a semester will be referred to Early Warning Court at Dothan City Courts. The Juvenile Court has designed programs to intervene with and educate students. The Juvenile Court Judge will notify the school of completion of programs by the student. **Failure to complete programs assigned by the Juvenile Court Judge will result in further Court actions.**

ATTENDANCE

All students enrolled in the Dothan City School System are required to be in continuous attendance and abide by the policies governing attendance as outlined by the State of Alabama and the local Board of Education. Alabama Legislative Act 93- 672 requires a parent/guardian to be responsible for enrolling their children in school, ensuring that they attend school regularly, and requiring that they conduct themselves properly while in school.

Students are considered present when they are in attendance for 3 ½ hours each day. Students are considered absent if they check in after 11:10 am (Elementary Schools), 11:25 am (Carver 9th Grade Academy), 11:40 am (Dothan High School), 12:00 pm (Dothan Prep Academy). Students are considered tardy once they arrive on campus after the tardy bell rings. Excused tardies do not count against perfect attendance. Unexcused tardies and early check outs will count against the student's attendance.

School Officials will make contact with the parent/guardian. Unless approved by the principal, students arriving late or being picked up early will be considered unexcused. Students receiving special education services must be in attendance for the length of the regular school term and school day unless the IEP Team specifies a different length of time based on the individual needs of the child.

Parents are encouraged to make medical and dental appointments outside of school hours. **Late check-ins and early check-outs are discouraged because of the instructional time that the student will miss.** However, if appointments are scheduled during the school day, parents should try to **give the school advanced notice.**

Any student leaving school during the school day must check out in the Office of the Principal. A written excuse from the doctor or dentist should be brought to the office when the student checks in during the school day, or on the first day the student returns to school. Students arriving late or picked up early will be considered unexcused if a doctor's excuse is not submitted. A student must be in attendance for at least 3 ½ hours to be counted in attendance for the day.

Students who have appointments scheduled during the school day will not be excused for a whole day of attendance (example: student has a 10:00 am dentist appointment and does not come to school for the entire day). In instances like this, the student should come to school, check out before the appointment, and check back in after the appointment for the remainder of the day.

Students receiving special education services must be in attendance the length of the regular school term and school day unless the IEP Team specifies a different length of time based on the individual needs of the child.

ABSENCES

EXCUSED: An absence may be excused by the principal for the following reasons:

1. student is too ill to attend school,
2. inclement weather which would be dangerous to the life or health of the child if he attends school,
3. legal quarantine,
4. death in the immediate family,
5. out of town trips must be pre-approved by the principal,
6. emergency condition as determined by the superintendent or principal, or
7. student excused by the principal for attendance at special events, based on Parent/Guardian request, shall be considered absent and excused but shall not be considered to be perfect in attendance. Such approval must be based on a written request submitted and approved in advance by the principal.

UNEXCUSED: Any absence not approved by the principal is unexcused, i.e., work, truancy, suspension, or Parent/Guardian neglect. Patterns of absences will be addressed on an individual basis and reported to the Auxiliary Services Department.

Documentation of Absences

Elementary students will be given the opportunity to make up work within (5) school days unless extenuating **circumstances** are given consideration by the teacher and/or principal. **Secondary students** must make arrangements with each teacher for make-up work within five (5) days after returning to school, unless extenuating circumstances are given consideration by the teacher and/or principal.

Elementary (K-6)

Only ten (10) parent notes will be accepted per year. Absences beyond ten (10) days per year must be substantiated by a physician's statement unless excused by the principal. Patterns of absences will be addressed on an individual basis and reported to the Auxiliary Services Department.

Secondary Schools (7-12)

For semester classes, only five (5) parent notes will be accepted per semester. Absences beyond **five (5)** days must be substantiated by a physician's statement unless excused by the principal. If there is no physician's statement, the absence may be appealed to a school attendance hearing committee.

For year-long classes, only ten (10) parent notes will be accepted per year. Absences beyond **ten (10)** days must be substantiated by a physician's statement unless excused by the principal. If there is no physician's statement, the absence may be appealed to a school attendance hearing committee.

Suspensions do not result in assignment to Early Warning Court. All documentation for absences must be received within **two school days** or the absence will be unexcused. All unexcused absences must be reported to the Auxiliary Services on a weekly basis. All schools **must** record absences as excused or unexcused. ***Parental Involvement Specialists and/or School Resource Officers will follow up on subsequent and chronic absences.***

It is recognized that students beyond compulsory school age are not required to attend school. Students beyond compulsory school age with more than 12 unexcused absences per term (9-12) or semester (7&8) will be subject to termination of enrollment. Administrators are authorized to request approval from the Auxiliary Services Department to terminate enrollment. The Auxiliary Services Department will approve after documented efforts to contact and inform students and Parent/Guardian. Any appropriate agencies serving the student may be notified of the student's non-attendance and termination of enrollment.

DOTHAN CITY SCHOOLS SYSTEM-WIDE ATTENDANCE ADDENDUM

Purpose

The purpose for this attendance addendum is to increase student attendance and decrease the number of Chronic Absences for Dothan City Schools.

The following information is a recommendation to addend to the current DCS Attendance policy:

System-Wide Attendance

- 1) Seven unexcused absences within a school year constitute a student being truant for the purpose of filing a petition with the Court. Once a student has obtained ten (10) unexcused absences, the parent/guardian will be notified and the student will be administratively withdrawn from the school system.
- 2) The Parent/Guardian will be given three (3) days to re-enroll the student back into DCS (Parent/Guardian, in person, is the only adult(s) that can re-enroll the student).
- 3) At the time of re-enrollment, the parent/guardian will be given the attendance/chronic absenteeism awareness form
*** There will be a \$25 Administrative Re-enrollment fee.**

Virtual Program Students

- 1) Students enrolled in DCS virtual program are required to maintain, at least, 20 log-in hours per week.
- 2) If a student does not meet the minimum log-on hours per week, it will be counted as an unexcused absent for that week.
- 3) If a student obtains ten (10) unexcused absences, see system wide-attendance section above.

Virtual School Students

Please refer to the Dothan City Virtual School Student Handbook for attendance policy.

High School Period Roll Count

- 1) All teachers will take attendance every day in every class period.
- 2) If students are counted absent first period, and do not check-in, the student is counted absent for the day.
- 3) If a student is absent for a total of four (4) class periods, the student is marked absent for that day
- 4) If a student obtains ten (10) unexcused absences, see system-wide attendance section above.

Loss of Credits / Retention for Excessive Unexcused Absences

If a student obtains 13 or more unexcused absences the principal shall evaluate the attendance record and recommend retention for the student. The parent/guardian and student will be notified of this rule once a student reaches 10 unexcused absences

TARDIES

A student may be considered tardy when he/she is not in their assigned seat when the tardy bell rings. Excused tardies (ex. approved physician note, principal or designee approval) do not count against perfect attendance. Patterns of tardiness will be addressed on an individual basis. **Tardies will start over in the second semester.** Also, early checkouts have a negative effect on your child's success, and will be handled in the same manner as tardies. ***Parental Involvement Specialists and School Counselors will follow up on subsequent and chronic tardies.***

Unexcused tardies result in the loss of perfect attendance for exemption privileges in that class (9-12). In grades 7 & 8, unexcused tardies result in the loss of perfect attendance.

If your child has checked in late or checked out early, you will see **Tardy** on the Parent Portal/Attendance. **Excused or Unexcused** will depend on the reason.

Consequences for Unexcused Tardies/Early Checkouts for Elementary School Students (K-6):

3 rd , 4 th , & 5 th Tardy/Early Checkouts:	Written/Verbal Communication with Parent/Guardian
6 th Tardy/Early Checkouts:	Mandatory Parent/Guardian Conference and/or Principal's Probation
Subsequent/Chronic Tardies/Early Checkouts:	Parent/Guardian Conference and/or a referral to the Houston County District Attorney's Office as directed by the Auxiliary Services Department for Dothan City Schools

Consequences for Unexcused Tardies for Secondary School Students (7& 8):

- 3rd Tardy: Parent/Guardian contact and warning
- 4th Tardy: One day In-School Suspension
- Subsequent Tardies: Additional ISS Days

Consequences for Unexcused Tardies for Secondary School Students (9-12):

1st tardy = Teacher warning
2nd tardy = Teacher warning/contact parent
3rd tardy = One day ISS
4th tardy = One day ISS
5th tardy = Two days ISS/loss of parking pass for 5 school days
6th tardy = Three days ISS
7th tardy = One day suspension/loss of parking pass for 45 school days
8th tardy = One day suspension
9th tardy = One day suspension
10th tardy = Two days suspension/loss of parking pass for 90 school days
11th tardy and beyond = Use Class II (275)

CHECK-INS

ILLNESS AND SCHOOL ATTENDANCE

COVID-19 - Please notify school if your child has tested positive, been exposed, or has any correlating signs or symptoms. The school nurse will provide the parent/guardian with further instructions based on DCS guidelines.

Some illnesses that require exclusion from school:

~ Chickenpox ~ COVID-19 ~ Influenza ~ Pink eye ~ Strep throat ~ Impetigo ~ Head lice ~ MRSA

When should your child stay at home?

Below are some helpful guidelines which along with your doctor's advice will help you make that decision:

1. Fever 100 degrees or higher, vomiting or diarrhea within the past 24 hours. Must be free of fever, diarrhea or vomiting for 24 hours before returning to school.
2. Persistent cough or runny nose with thick discolored nasal drainage should be evaluated by the doctor.
3. Rashes should be evaluated by the doctor. Medical note is required when returning to school.
4. Red or pink, itchy eyes with crusty green/yellow drainage-may return 24 hours after antibiotic treatment is started.
5. Open sores with drainage should be evaluated by the doctor. Medical note is required when returning to school. Sores should be covered.

6. Ringworm - may attend school after treatment. Cover infected area. When present on the scalp, it should be evaluated by the doctor. Medical notes are required when returning to school.
7. Head lice - To help prevent further outbreaks, please let school know if your child has lice. This will allow the nurse to check other students that have close contact with your child. We have a "No Nit" policy- ALL NITS must be removed before returning to class. Parent should accompany their child when returning to school.
8. Chickenpox - may return to school when the blisters are dried or scabbed over. (5-10 days)

It is important for the health of all students and staff that your child does not attend school when sick. However, if you have any concerns about your child's illness, always contact your doctor.

IMMUNIZATION CERTIFICATE REQUIREMENT

The state of Alabama requires all students in public or private school to provide a valid certificate of immunization (Alabama Code 420-6-1). The certificate may be obtained from the Houston County Health Department (appointment is needed) or your child's physician.

STUDENT DRESS CODE

Grades K – 12

DRESS CODE

It is the policy of the Board of Education that good grooming and personal appearance are essential, if not critical, elements in the teaching and learning process. Therefore, it is expected that students dress in such a manner that will ensure the health and safety of the school. Furthermore, the dress and personal appearance will not be disruptive or interfere with the legitimate interest and welfare of students. Students are also expected to choose their clothes in good taste, wearing only those clothes, which are appropriate for the educational environment.

All students are expected to comply with the Dress Code. For compelling reasons, such as medical requirements, the principal or superintendent, may, at their discretion, review an individual situation to determine whether a modification of a provision is required for the health and safety of a particular student or other compelling reason.

The School Administration will judge the appropriateness of any “fad” or questionable article of apparel.

With this in mind, the following rules concerning dress and grooming are mandatory for all students attending Dothan City Schools. Students who fail to follow these rules will be subject to disciplinary action.

MEDICATION INFORMATION

The goal of the school system regarding the administration of medication during school hours is to assist students in maintaining an optimal state of wellness, thus enhancing the educational experience.

Minor illness should be treated at home by the Parent/Guardian. For example, a student with a cold severe enough to require medication should remain at home.

Medication prescribed for three times a day should be given at home – just before leaving for school, upon returning home in the afternoon, and at bedtime. The only exception to this schedule is medication that must be given before or along with meals.

The Dothan City School System will assist the Parent/Guardian when they delegate administration of medication to the school their child attends. The school nurses will work with schools to set up safe and effective guidelines in medication administration. The school nurses will provide instruction to the person(s) designated to administer the medications.

Parent/Guardian's Responsibility

- ☐ The Parent/Guardian and physician must complete the School Medication/Prescriber Parent Authorization Form each school year granting permission for prescribed medication to be given at school.
- ☐ The Parent/Guardian must provide the school with medication that is in a correctly labels prescription bottle/container.
- ☐ The Parent/Guardian must provide the school with a new signed School Medication/Prescriber Parent Authorization Form if medication orders are changed or discontinued during the school year.
- ☐ The Parent/Guardian or the Parent/Guardian designated responsible adult shall deliver all medication to the designated school personnel.
- ☐ The Parent/Guardian shall pick up student's medication at the end of the school year.
- ☐ The Parent/Guardian shall give the first dose of a new medication at home in case of a possible allergic reaction.
- ☐ The Parent/Guardian must provide the school with a new signed School Medication/Prescriber Parent Authorization Form for over-the-counter medications. The medication must be in the original, unopened, unexpired container, and be age appropriate. The school does not stock over-the-counter medications.

School's Responsibility

- ☐ The School Nurse shall designate specific personnel who shall ensure the right student gets the right medication in the right dosage by the right route at the right time and is documented in the right way.
- ☐ The designated school personnel that are assigned to administer medication will follow the medication protocol, and administer medication in a safe setting.
- ☐ The designated school personnel will count all controlled drugs when they are received.
- ☐ The designated school personnel will not administer oral medication to a student who has recently vomited.
- ☐ In the event of an allergic reaction or an emergency situation involving medication, the school will handle the problem as any other medical emergency.
- ☐ The designated school personnel will administer sample medication provided from the health care provider's office according to the Medication Authorization Forms written directions from the physician or health care provider.

- ☐ The designated school personnel will contact the School Nurse when there are any discrepancies concerning medication administration (i.e. change in medication, discontinuation of medication, dosage, student refusal to take medication, label different from instructions, label is unclear, or label is torn). This medication will not be given until clarification is obtained from School Nurse.

Student's Responsibility

- ☐ Students will not deliver medications to the school.
- ☐ Students may self-medicate only when they have met the criteria for self-administration according to Dothan City School Medication Policy and doctor's orders.
- ☐ Students who have doctor's orders to have medication on their person, i.e. asthma inhaler or EPI-Pen, will not share medication with other students.
- ☐ Students will notify their teacher/school personnel at the onset of any distress or allergic reaction. The student will know where his/her medication is kept and be familiar with personnel action plan for self- medication.

Questions and Answers Regarding Medication

- Q. Why should Parent/Guardian/guardian bring student's medication to school?**
The Dothan City School System does not want to place any child in a situation where they may be confronted for drugs. Ritalin, as well as other drugs, has a street value. When the Parent/Guardian bring the medication, this ensures no other child will tamper with the medication.
- Q. Why can't the school stock over the counter medication?**
The school does not need to be in the position of diagnosing and treating your child's illness. That responsibility rests between the Parent/Guardian and their physician.
- Q. Why can't my child keep his/her medication?**
To protect all children from taking medication belonging to another child – no child may keep medication on their person at school. The only exception would be EPI-Pens or like emergency treatment.
- Q. Why does the school need to count medication?**
This keeps the Parent/Guardian/guardian and the school informed of the amount of medication the school has on hand.
- Q. Why can't I write on my child's prescription bottle?**
Prescription bottles can get smeared and very difficult to read. It is never a good practice to write on a prescription bottle.
- Q. Why can't the school provide and give medication for minor pain?**
The school personnel cannot be placed in the situation to judge between minor or major pain unless they are trained and licensed medical personnel. Most schools do not have full time trained and licensed medical personnel. If the student complains of pain the Parent/Guardian will be notified.

Additional information regarding medications at the elementary schools can be found in the Dothan City Schools System's Policy on Medication.

STUDENT DISCIPLINARY TRIBUNAL

District level due process hearings are conducted by the Student Disciplinary Tribunal which hears evidence concerning charges of student misconduct, and if proven, may require consequences greater than a nine school-day suspension.

The Student Disciplinary Tribunal will consist of three (3) people with administrative experience who are not from the school of the student being brought before the Tribunal. The Student Disciplinary Tribunal has the authority to issue a short-term suspension, long-term suspension, alternative school placement, virtual program placement, expulsion or permanent expulsion of any student found to have violated the Code of Conduct. If a hearing is called, the student can remain at school so long as the Principal does not consider the student a dangerous threat to the school. If considered a dangerous threat, the student will be suspended from school until the hearing can be held. The hearing should be held no later than two (2) – three (3) working weeks after the beginning of the suspension unless the parent and school mutually agree to an extension or the conduct of the student or parent causes a delay beyond said two (2) – three (3) working weeks. Prior to the hearing, students and parents will receive a notice to include the following:

1. The rules or policies which the student has allegedly violated.
2. A description of the student's acts.
3. The names of the witnesses who may testify against the student (witnesses may be added prior to and during the hearing).
4. The maximum punishment that the student could receive.
5. The time and place for the hearing.
6. That the student is entitled to request witnesses to be present at the hearing and the student will have the right to present evidence, examine any and all witnesses presented and have an attorney, if the parents express to, represent the student at the hearing. School administrators should be notified prior to the hearing if a subpoena is to be issued by the Superintendent.

At the hearing, students and parents will have the right to present witnesses and evidence, to examine any and all witnesses presented, and to have an attorney, at the parent's expense, to represent the student. The decision of the Student Disciplinary Tribunal may be appealed by submitting a written notice of appeal to the Superintendent within twenty (20) calendar days from the date the decision is delivered to the parent/guardian via phone call from the Auxiliary Services Department. The appeal should be sent to the attention of the Superintendent at 1665 Honeysuckle Rd., Suite 1, Dothan, Alabama 36305.

A student disciplinary hearing is formal, although the strict rules of evidence as applied in a court do not apply in a disciplinary hearing. The Student Disciplinary Tribunal will determine the innocence or guilt of a student accused of violating the Student Code of Conduct. Although the school has the burden of establishing guilt, the student should be prepared to present evidence and witnesses to support their innocence.

Student Disciplinary Tribunal will make a verbatim record of any information orally presented at the hearing. All statements and documentary evidence shall be kept on file by the Superintendent or designee for a period of twenty (20) days after the date of the disciplinary hearing if no appeal is filed and for an additional thirty (30) days after the completion of an appeal.

All parties shall be afforded an opportunity to present and respond to evidence and to examine and cross-examine witnesses about any matters logically relevant to the charge against the student. The Student Disciplinary Tribunal may limit unproductively long or irrelevant questioning. The parents or legal guardian of the student and any victims may give testimony at the hearing and make a statement to the Student Disciplinary Tribunal concerning their feelings about the proper disposition of the case and to answer any questions. The student may be represented by counsel at the student's expense at the hearing. If parents intend to be represented by counsel at the disciplinary hearing, the parents must notify the school forty-eight (48) hours prior to the start of the hearing so that the school district may elect to retain legal counsel to represent its interests.

All parties shall be entitled to subpoena witnesses for the hearing. A student or parent/guardian shall submit all requests for subpoenas to the student's principal at least forty-eight (48) hours prior to the time of the disciplinary hearing.

All student disciplinary proceedings and hearings conducted by either the Student Disciplinary Tribunal or the Board of Education are confidential and are not subject to the open meetings law. Any written records, transcripts, exhibits or other documents assembled or used in any manner with regard to the conduct of any student disciplinary hearing are not public records and are not subject to public inspection.

When a hearing is appealed, the Dothan City Board of Education will review the record of the hearing, make a decision based solely on the record, and notify students and parents, in writing, of the Board's decision. The decision of the Board of Education

will be based solely on the record created during the hearing. The Board will not consider any new evidence or hear any oral arguments; however, written arguments concerning the merits of the appeal may be submitted. The Board will make its decision in Executive Session after receipt of the written notice of appeal. The Board has the power to affirm, reverse, or modify the student disciplinary tribunal's decision.

WAIVER OF STUDENT DISCIPLINARY HEARING

A parent/guardian and student may choose to waive the student disciplinary hearing and accept the appropriate consequences for the incident by completing and signing a Hearing Waiver. By submitting a waiver, the parent/guardian and student agree to the decision and waive any future challenges and appeals relative to that incident. In such cases, an agreement may be negotiated which would include the parent's or student's waiver of right to hearing before a disciplinary tribunal, the state charge(s) and the agreed upon consequence.

1. A written request by official action of a local Parent/Guardian/professional/community organization, (e.g., PTA/PTO; ACSAS; civic club) or by a majority of the employees of a school or school system to the State Superintendent with evidence that a request was first submitted to the school principal; secondly the school system superintendent; and thirdly, the local board of education relative to specific school safety and discipline issues and no action was taken or action was inadequate as determined by the State Superintendent.

CONSEQUENCES AND PROCEDURES

Before and After-School Detention

The principal or designee has the authority to assign students to a designated area (detention hall) on campus prior to the beginning of school or at the end of the regular school day for a reasonable and specified period of time as a disciplinary action. The Parent/Guardian is responsible for providing transportation. A reasonable attempt will be made to notify the Parent/Guardian either by written notice or by phone prior to the assignment of a student to detention. If the Parent/Guardian can be notified on the day of the misbehavior, the student will be assigned on that day. If not, the student will be assigned at a later time.

Parent/Guardian Conferences

In the event of the continued misconduct of a student, Parent/Guardian is required under the laws of Alabama to attend a Parent/Guardian Conference with the teacher and/or school officials to discuss the conduct of the student. (Act 94-782)

Disciplinary Probation

Disciplinary probation is a period of time specified in the probation contract during which a student must correct his/her behavior while abiding by all regulations that govern student behavior. The principal or designee, the superintendent, and the Board of Education have the authority to place a student on disciplinary probation for a reasonable and specified period of time and to require the Parent/Guardian's and student's signature on a contract specifying the conditions of the probation. The staff members involved in the actions will assist in monitoring the student's adjustment to the school environment. School counseling, Parent/Guardian involvement which may include the Parent/Guardian attending school with the student, and other forms of assistance may be part of the probation contract.

Writing Assignments

Repetitive writing of sentences as a consequence for violating school rules will not be used. If writing assignments are used as a part of consequences, they will be used as a teaching and learning tool. For example, students may be required to write an essay on discipline or appropriate behavior in the classroom, or a paper on how to correct their behavior.

Work Assignments

The principal or designee has the authority to assign supervised activities related to the upkeep and maintenance of school facilities as a disciplinary action for a reasonable and specified period of time. Work assignments are not intended to interfere with any student's regular class schedule.

The Parent/Guardian will be responsible for providing transportation in these instances. The Parent/Guardian will be notified prior to the student's placement on a work assignment.

Physical Restraint

The principal or designee has the authority to use reasonable physical force to restrain a student from abusing or attempting to abuse himself, other students, teachers, administrators, Parent/Guardian, or other staff members. This action may be necessary to stop assaultive behavior and to ensure to the extent possible the care, welfare, safety, and security of students and staff members. This must be done in a reasonable manner to protect all parties involved. Law enforcement officials may be called to assist in the enforcement of this action.

Denial of Privileges

Teachers and administrators may deny students privileges from participation in school activities as a punishment for misconduct.

Principal's Probation

The principal can enact certain stipulations for student(s) to follow due to continuous negative behavior. The principal can place guidelines to include non-participation in certain school functions, and school sponsored activities. Examples of Principal's Probation may be: break/recess detention, non-admittance to school sponsored activities (sport functions, prom, field day), silent lunch, etc. The School principal may place timeframes on these guidelines.

Suspension

Suspension, out of school, is defined as the temporary removal of a student from school for violation of school rules and regulations. The authority to suspend a student from school rests entirely with the principal of the school. All suspensions should be for a specified number of days. Suspensions will be counted as excused absences. However, the student will be given the opportunity to recover zeros through Saturday School. Suspensions are counted as excused absences. **Students may not participate in any school curricular, co-curricular, extra-curricular activities, or be on the school campus during the period of suspension.**

An in-school conference with the Parent/Guardian or other approved representative of the student's family is required prior to the re-entry of a suspended student in school. This conference may be held at the time of suspension or at the time of re-entry to school. Parent/Guardian who does not attend such conferences may have warrants filed requiring their arrest for failure to attend a school conference and to require the child to properly conduct him/herself in school.

The principal or designee may suspend a student for cause as specified in the Code of Student Conduct. Suspension for criminal acts shall be effective until the date of the administrative hearing. Suspensions shall not accumulate for Truancy Court. Students on suspension are not sent to Truancy Court.

In-School Suspension

In-School Suspension is a structured disciplinary action in which a student is isolated or removed from regular classroom activities but is not dismissed from the school setting. The principal or designee has the authority to assign students to the in-school suspension program for a reasonable and specified period of time. All principals will follow the Board approved in-school suspension procedures.

P.A.S.S. ACADEMY/ Off-School Site Alternative Programs

P.A.S.S. Academy/Off-School Site Alternative Programs assignments are made as a last resort prior to a recommendation for expulsion from the Dothan City Schools. Students assigned to these programs are provided a structured school setting for a specified period of time.

Expulsion

Expulsion is defined as the removal of a student for a period of time longer than allowed by suspension for violation of school rules or regulations. **Only the Dothan City School Board of Education and / or Student Disciplinary Tribunal has the authority to expel a student from the school system.** Any student expelled and desiring to return to school must apply for re-admission by letter to the Superintendent of Schools with a copy to the principal of the school to which the student is applying for re-admission.

Saturday School

Saturday School is a disciplinary alternative open to each school. Students who misbehave in class take time from the learning environment. Saturday School gives the student an opportunity to repay the time owed as a consequence of the misbehavior and time taken from class.

Mediation

Mediation is a disciplinary process in which two individuals in conflict choose to use a formal process to discuss the problem and develop solutions to prevent further conflict.

Behavioral Counseling

Behavioral Counseling is an approved disciplinary action. Parent/Guardian may be encouraged to enroll students in off-campus, counseling programs. Students may be required to participate in In-School Behavioral Counseling programs. All students suspended and/or assigned to P.A.S.S. Academy may be required to participate in school-based behavioral counseling as scheduled at the school.

Student Driving Privileges on Campus

Driving a personal vehicle to school and on school campus is a privilege. All students must follow administrators' guidelines. Failure to follow these guidelines could result in revocation of driving privileges.

Students must report any vehicle accident that occurs on school campus to that school's Resource Officer. Accidents not reported to the School Resource Officer could result in revocation of driving privileges on the school campus.

AUTHORITY TO ADMINISTER PROGRAM OF STUDENT CONDUCT

The principal of a school is vested by the Code of Alabama with the authority to administer the program of student conduct in the school of assignment. The principal may:

- take disciplinary actions authorized by the Board of Education,
- suspend students for causes as specified in the ***Code of Student Conduct***,
- may recommend the expulsion of a student, and
- take other actions deemed necessary to maintain order in the school environment.

In matters of school discipline, the decision of the principal is final if decisions are consistent with Board policy and federal and state laws. In all recommendations for an expulsion, the Parent/Guardian and student must be given the right to a hearing before the Board of Education.

DISCIPLINARY ACTIONS FOR EXCEPTIONAL STUDENTS

Exceptional students and students with handicapping conditions are those students as defined in the Alabama Exceptional Child Education Act (excluding gifted), the Individuals with Disabilities Education Act (IDEA), the Alabama Code for Special Education Service (as published by the Alabama Department of Education), and Section 504 of the Rehabilitation Act of 1973. All rules and regulations governing students as defined above shall be in conformity with applicable regulations. **If a student subject to discipline is identified as exceptional, you must consult and follow the disciplinary procedures outlined by the Department of Exceptional Student Services before imposing discipline involving a change of placement of more than 10 cumulative school days.**

STUDENT DISCIPLINE, RULES OF CONDUCT, AND ATTENDANCE

The Dothan City Board of Education requires that all students enrolled in the city schools conduct themselves in a manner that facilitates the educational process. In the ***Code of Student Conduct***, the Board of Education has established specific classifications of misbehaviors and the appropriate disciplinary consequences to deal with these violations of student conduct. The Board in approving the ***Code of Student Conduct*** desires to:

- ensure that the educational process in the schools is not disrupted because of the behavior of enrolled students, and
- provide for the care, welfare, safety, and security of both students and school Board employees, and
- meet all requirements of the Alabama State Board of Education and the laws of Alabama.

Violations are classified into three groups: Class I, II, and III. Those that have an asterisk are violations of the law. It is mandatory that these violations be reported to law enforcement agencies using established procedures.

Class I violations will be handled through individual school and class management plans.

On Class I and II violations, in which the principal has a range of disciplinary consequences, the school principal, working with the school management team will develop a sequence of consequences to be consistently and equitably followed in making disciplinary decisions. A copy of each school's plan for Class I and Class II violations, in which there is a range of disciplinary consequences, shall be filed with the office of the Superintendent of schools.

The described disciplinary consequences are the normally expected consequences. However, in the event a violation is not specifically listed but is commonly known to be unacceptable behavior, against the law, or an extremely severe case of threatening the care, welfare, safety, and security of an individual or the school, the administration may impose and/or recommend more severe punishment as dictated by the circumstances.

DOTHAN CITY SCHOOLS PERSONAL ELECTRONIC COMMUNICATION DEVICE POLICY & CONSEQUENCES

The Dothan City School Board recognizes that students carry personal electronic communication devices. Schools Board Members also recognize that parents provide these devices for their children so they can be in touch in case of emergency.

School requires a students' attention. In recent times, personal electronic devices have become a distraction in the classroom and also a source of concern; especially when used to video or take pictures of other students, or bully using electronic methods.

Please note that in case of extreme emergency, for example, a lockdown situation or active shooter, law enforcement shares that multiple cell phones and calls jam their systems and also false statements of the situation can be shared which often confounds the work of school officials, law enforcement, and emergency services.

For the above reasons, the following is being proposed:

The unauthorized use of personal electronic communication devices will not be allowed during school hours. Students are explicitly prohibited from using any type of electronic device to record audio or video segments at any school function or event, or to have the devices turned on during instructional periods. Transportation will allow cell phones on the bus if the phone is on silent or vibrate. Nothing in the policy shall prohibit a teacher or school official from allowing the use of these devices in a productive manner as part of an instructional lesson, approved specialized project, or for specific research with principal's prior approval per lesson plan. Under extenuating circumstances (health condition of family members, etc.), students may be granted temporary waivers by the local administrators to keep the devices on.

Devices emitting notifications / sounds while NOT in use (i.e. in purses and or bookbags) during instructional / class time is considered accidental. However, if the device emits notification / sound more than once in the same classroom, or in other classrooms, on the same day, this will be considered a violation of the Personal Communication Electronic Device Policy.

The distribution or presentation of electronic recordings or video material of students that may be construed as illegal, forms of bullying or harassment, or may cause disruptive activities within the school body, will also result in a Code of Conduct Class III offense. Students guilty of this level of offense for violation of this policy shall also lose their privilege to possess any electronic device on campus for the remainder of the school year, and may be subject to random searches of their possessions to ensure compliance with this prohibition. The board also reserves the right to legally prosecute any student suspected of criminal activity through the inappropriate use of electronic devices.

NOTE: Regarding the DCS Cell Phone Policy, the administration reserves the prerogative to determine consequences of a lesser degree for students with special needs as deemed appropriate by the IEP team, in conjunction with the administrator and in accordance with the regulations under the Individuals with Disabilities Education Act (IDEA).

Consequences:

Elementary (K-6)	Secondary (7-12)
• If a student is guilty of unauthorized use of the device during school hours, the device will be taken and held by the school official. The parent or guardian will be contacted and expected to pick the device up at the school. • Violation of this policy for the second time will result in the collecting of the device; parent/guardian will pick up the device and the student will be placed in In School Suspension (1-2 days). • Subsequent violations will result in the collecting of the device; parent/guardian will pick up the device and the student will be placed in In School Suspension (3-5 days). In addition, the student is no longer permitted to bring any electronic devices on school campus. • <i>Refusal to surrender the device when asked by the school official will be considered a Code of Conduct Class II- Code 299- offense. The student will receive one (1) to five (5) days of Out-of-School suspension.</i>	• If a student is guilty of unauthorized use of the device during school hours, the device will be taken and held by the school official. The parent or guardian will be contacted and expected to pick the device up at the school. • Violation of this policy for the second time will result in the collecting of the device and three (3) day In-School Suspension. • Violation of this policy for the third time will result in the collecting of the device and three (3) day Out-of-School Suspension. • Subsequent violations will result in confiscation of device thirty (30)-day placement at P.A.S.S. Academy. • <i>Refusal to surrender the device when asked by the school official will be considered a Code of Conduct Class III- Code 399 - offense. The student will receive forty-five (45) days at PASS Academy as a consequence.</i>

The board assumes no responsibility for loss, theft of any personal cell phone or communication devices.

CLASSIFICATIONS OF VIOLATIONS

Each teacher will deal with general classroom disruption through effective classroom management and involvement of Parent/Guardian, guardians, or school counselors. Only when the action taken by the teacher is ineffective, or the disruption is severe, should the student be referred to the principal or his/her designee.
