

#2: The paragraph assignment

Complete both paragraphs regarding the book you chose.

1. Connect to World: Find a current (2020) article/current event that relates to the novel you chose. Print or cut out the article to include in your assignment. Then, explain in a well-supported, detailed paragraph how the news article/current event connects to (your book choice).

- Some good websites to look for your current event are as follows:

www.time.com

2. Connect to Art: Find a piece of art (painting, picture, song, sculpture) that relates to your novel. Print a picture of the work of art to include in your assignment. Then, explain in a well-supported, detailed paragraph how the work of art connects to (your book choice)

- The best way to look for works of art are to decide what the theme of your book is, and then Google “famous works of art that deal with whatever your theme is”.

- For example, if I was reading “Romeo and Juliet” I would Google, “famous works of art that deal with tragic love”, or if I was reading Harry Potter, I would Google “famous works of art that deal with good versus evil”

- You can do the same for songs. Just Google “songs that deal with whatever your theme is”

- For example, if I was reading “Romeo and Juliet” I would Google “songs about tragic love” or “songs about love with consequences
