- B. All bid forms shall be signed and dated by the vendor on the forms provided and then returned to the City of Madison Board of Education Purchasing Department. If not signed and dated, it will be considered as non-responsive to the bid request. Three (3) non-responsive bid requests will result in a vendor being removed from the City of Madison Board of Education vendor list.
- C. In the event of extension error(s), the unit price will prevail and the bidder's total offer will be corrected accordingly. In the event of addition error(s), the bidder's total will be corrected accordingly. Bidders must check their proposals for any such errors and state the discount(s) in the proposal where applicable. Failure to do so will be at the bidder's risk.
- D. If installed by the vendor, the vendor is responsible for the prompt removal of all debris resulting from this bid.
- E. The City of Madison Board of Education may not award on the basis of low bid only. Quality, conformity with specifications, purpose for which required, terms of delivery, terms of payment, transportation, dates of delivery, past service, and experience are among the factors that may be considered in determining the responsive/responsible bidder.

- F. In the event the low bidder(s) refuses to accept the entire requirements without deviation, their bid will then be considered non-responsive and their bid bond/check will be forfeited to the City of Madison Board of Education. After refusal by the first bidder, the bid may be awarded to the next lowest bidder.
- G. Specifications are written as if in full detail. Use of specific names and numbers is not intended to restrict the bidding of any seller and/or manufacturer, but is solely for the purpose of indicating the type, size, and quality of materials, products, service or equipment consideration best adapted to the Board's intended use.
- H. Vendors shall bid on all items within the specified group/category. It is the intent of the City of Madison Board of Education to award the bid by groupings/categories or as a total package bid award, however, the Board reserves the right to award the bid in any manner, which will best serve the interest of the Madison City Schools.
- I. The successful bidder shall guarantee all material and labor for a period of not less than **One (1) Year** against defects of material or workmanship. The guarantee shall be dated from the time of acceptance. The successful bidder shall replace any material proved to be defective (except when it is clearly shown that the defects are caused by misuse and not by the manufacturer) immediately upon notification. Additional warranty considerations may be a factor in the bid award.
- J. The City of Madison Board of Education is tax exempt from all tax (Tax I.D. 63-1192346). This statement is in no way to be construed as relieving the seller or contractor from their tax obligation.
- K. Bids delivered in Federal Express, UPS, or any other such deliverer's envelope shall be sealed in a separate envelope inside the deliverer's packaging. The bid name, number and bid opening date shall be written on the outside of deliverer's envelope. Failure to do this may cause the bid to be inadvertently opened and thus rejected.
- L. The City of Madison Board of Education does not discriminate on the basis of race, color, national origin, sex, disability, religion, or age in its programs and activities, and provides equal access to the Boy Scouts and other designated youth groups. ## Notice of Alabama Immigration Law Compliance Requirements to all Contractors of LOCAL BOARD OF EDUCATION

As a Contractor, as defined in the Act, to the LOCAL BOARD OF EDUCATION (“Board’), it is critical to your relationship (future or continuing) with the Board that you comply with the Immigration Reform and Control Act of 1986, as amended by the Immigration Act of 1990, and Beason-Hammon Alabama Taxpayer and Citizen Protection Act. Accordingly, please provide your Affidavit of Immigration Compliance with attached E-Verify Memorandum of Understanding, as requested in the attached memorandum. If you do not believe these obligations apply to you, please notify the Board immediately.

Alabama laws require that, as a condition for the award of a contract by a school board to a business entity or employer with one or more employees working in Alabama, the business entity or employer must provide documentation of enrollment in the E-Verify program. During the performance of the contract, the business entity or employer shall participate in the E-Verify program and shall verify every employee that is required to be verified according to the applicable federal rules and regulations. **The contractor’s E-Verify Memorandum of Understanding must be included with the bid.** If you do not believe these requirements are applicable to your entity, include an explanation justifying such exemption. If your company is not an Alabama based company or does not have employees that work in the State of Alabama, you must include in your bid package submittal, a memo on company letterhead stating this fact. An entity can obtain the E-Verify Memorandum of Understanding upon completion in the E-Verify enrollment process located at the federal web site [www.uscis.gov/everify](http://www.uscis.gov/everify). The Alabama Department of Homeland Security (<http://immigration.alabama.gov>) has also established an E-Verify employer agent account for any business entity or employer with 25 or fewer employees that will provide a participating business entity or employer with the required documentation of enrollment in the E-Verify program. An Employer Identification Number (EIN), also known as a Federal Tax Identification Number, is required to enroll in E-Verify or to establish an E-Verify employer agent account.

*“By signing this contract, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the state of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.”*

The amended law also changed the definition of SUBCONTRACTOR to “A person, business entity, or employer who is awarded a portion of an existing contract by a contractor, regardless of its tier.” Another provision states, “Furthermore, during the performance of the contract, the subcontractor shall participate in the E-Verify program and shall verify every employee that is required to be verified according to the applicable federal rules and regulations. This subsection shall only apply to subcontractors performing work on a project subject to the provisions of this section and not to collateral persons or business entities hired by the subcontractor.”
