Mountain Brook High School
Work-Based Learning
Students/Requirements Code of Conduct

I agree that if chosen to participate in the Work-Based Learning program (WBL), I will accept the following requirements:

Requirements:

I will secure a job following the WBL requirements:

- My job cannot be self-employment
- My employer must agree to participate in the WBL program and employ me for a minimum of 10 hours per week with the majority of hours being from Monday through Friday. This can be a paid or unpaid position.
- My employment must begin no later than the week following the beginning of school.
- My employer must abide by all Federal and State Child Labor Laws.

I will secure my own job prior to July 18, 2022 and take responsibility for the completion of the Employer Acceptance Form and return to WBL Coordinator.

- I understand that the WBL Coordinator must approve my job before I can begin WBL. Employment in a family business needs prior approval from the WBL Coordinator.
- I understand that in order to receive credit for WBL, I must continue employment throughout the school year and may stop employment only with permission of my WBL Coordinator.
- I understand that if I quit my job or if I am fired, I will be immediately dropped from the program and lose credit.
- Hours worked must equal 140 per semester to receive credit. To receive an A in the Wage and Hour Category, you must work 90 hours per nine weeks for 180 per semester.
- Students must go to their WBL job each week without exception.
- Request to change job will only be reviewed at the semester break.
- I will notify my WBL Coordinator immediately of any school or work problems and accept his/her counseling, guidance, and work adjustments or reassignments. I recognize the WBL Coordinator as the authority for adjustments or changes in my place of employment.

Conduct:

- I will adhere to the WBL Code of Conduct and maintain the highest standard of behavior and work ethic.
- I will learn and abide by all school and work policies. I understand that all school rules are in effect the entire time I am at work, and I am expected to abide by these rules throughout my employment. Failure to do so may result in dismissal from the WBL program.
- I will act in a business manner at all times and not allow friends or family to visit me at work either in person or by telephone.
- I will ensure confidentiality of everything I may see or hear while at work and show respect at all times for my employer, their property, their business, my co-workers, myself and all others with whom I may have contact. I understand that I not only represent myself, but also my family, my school, and the WBL program.

Evaluation/Assignments:

- I understand that I will be given assignment to complete as part of the coursework for WBL.
- I understand that both my WBL Coordinator and my employer will evaluate me throughout the year.
- I understand that if I am required to attend Alternative School, I will not be allowed to leave school earlier than other students and may lose my job due to my inability to arrive at work on time.
- I understand that WBL is a school course, and I will be expected to attend each week and be punctual.
- Students receive two credits for WBL (1 for assignments and 1 for 140 hours worked/semester). During each nine weeks, I will receive assignments to complete. I can expect to spend one hour per week on these assignments. Failure to submit assignments on time will result in the removal from the WBL program.

Responsibilities:

- I will check my school email daily for announcements. I will respond to WBL emails in a timely manner.
- I will give my employer advance notice if the school is on a different schedule or if I have a schedule conflict.
- I will assume the responsibility for transportation to and from work and maintain personal insurance coverage.
- I understand that WBL students do not get out of school early; they are released from the main school campus to continue their school day at a different location. WBL students have a longer school day than other students, because the entire time they are at work, they are in school. Incidents that happen at work, even during the weekends and on holidays, or after regular school hours will affect my grade and disciplinary action will be taken.
- I understand that I should leave school promptly and not loiter in or around the school.
