Introduction

Cooperative Educational Services' Policy and Procedures Manual is an electronic document that describes your rights and responsibilities as an employee of this agency. The manual is located at www.cestrumbull.org, and contains pertinent C.E.S. policies and procedures, including: Employment, Wage and Salary Benefits, Leaves of Absence, and Staff regulations. It is the responsibility of each member of the organization to adhere to all C.E.S. policies.

This handbook contains a synopsis of selected personnel policies and procedures from the aforementioned manual. It is designed to be an informational guide for all C.E.S. personnel and, hopefully, will provide our employees with basic employment information that responds to the most common employment related questions. For the complete compendium of C.E.S. policies and procedures, please refer to the C.E.S. Policies and Procedures Manual located on our website (www.cestrumbull.org).

"It is the policy of C.E.S. that no person shall be excluded from participation in, denied the benefits of, or otherwise discriminated against under any service or program on account of race, color, religious creed, age, marital or civil union status, national origin, sex, sexual orientation, gender identity or expression, ancestry, residence, present or past history of mental disorder, mental retardation, learning disability or physical disability including, but not limited to, blindness, or pregnancy and provides equal access to the Boy Scouts and other designated youth groups. Inquiries regarding C.E.S. nondiscrimination policies should be directed to Christopher La Belle, Associate Executive Director, C.E.S., 40 Lindeman Dr., Trumbull, CT 06611, (203) 365-8831."

Overview of Cooperative Educational Services (C.E.S.)

C.E.S. is one of six Regional Educational Service Centers (**RESCs**) in Connecticut. RESCs are public education agencies created under state statute for the purpose of “cooperative action to furnish programs and services” to school districts, communities, and the public. C.E.S. and its five sister agencies throughout the state (ACES, CREC, EASTCONN, EdAdvance, and LEARN) were created over 40 years ago. Every school district in Connecticut belongs to and benefits from services provided by a RESC. Membership gives districts access to cost-saving, collaborative programs, initiatives, and data analysis.

As one of these six RESCs, C.E.S. is here to do what our districts need us to do: we support both the instructional and the operational sides of the school districts, as well as design, deliver, and assess other community-based education, training, or human service programs, which add to the economic well-being or the quality of life in the region.

C.E.S. is governed by board of education representatives, who comprise the C.E.S. Representative Council, from each of the communities it serves: Bridgeport, Darien, Easton/Redding/Region 9, Fairfield, Greenwich, Monroe, New Canaan, Norwalk, Ridgefield, Shelton, Stamford, Stratford, Trumbull, Weston, Westport and Wilton.

At Cooperative Educational Services we believe in the process of continuous improvement. Each year we adjust our programming to meet the needs of our member districts. As a result, gathering data to evaluate our success and determine our focus and priorities is a continuous process at C.E.S. We hold council meetings for various education professionals such as special education directors, curriculum specialists, assistant superintendents, school principals, subject area specialists, human resources personnel, and technology coordinators. During these council meetings we solicit feedback from our members to help us determine future initiatives. The executive director also meets monthly with the C.E.S. Representative Council, and with the superintendents of member districts. All of the divisions at C.E.S. hold meetings with their constituents so that our services are customized to meet the unique needs of each district.

The Leadership Institute at C.E.S. which is a separate entity composed of leaders from our participating member districts, meets quarterly to address the continuum of leadership needs from teacher leadership to administrative leadership. Through dialogue with the Leadership Institute Board, we are able to establish programs and support that reflect the needs of our member districts.

C.E.S. also encourages strong parental involvement. Each year, our Special Education division solicits feedback from parents, and our Six to Six Interdistrict Magnet School meets regularly with the School Planning and Management Team (SPMT), made up of both parents and staff. The Regional Center for the Arts (RCA) has an active parent advisory group supporting fundraising efforts and all of RCA's student productions. We are also in continuous contact with representatives from the State Department of Education in order to assist our districts with state mandates such as school improvement plans, policy development, and teacher and administrator evaluation models.

As a service center, we must always be prepared to assist our districts according to their individual needs. We compile an annual profile of our member districts that includes their goals, school data reports, comprehensive school improvement plans, and additional relevant information to further customize our services. Often state or federal mandates or economic conditions determine needs. We strive to provide lower cost options to satisfy the needs of our member districts. The Leadership Team at C.E.S. comprises the Executive Director, the Associate Executive Director, Director of Special Education, Director of Finance and Operations, Director of Professional Development Services, the Directors of our two magnet schools, Director of our School Readiness, and our Early Childhood Coordinator. Our team meets collectively and individually with key constituents to obtain recommendations in planning future programs and services.

The current agreement extends from July 1, 2022 to June 30, 2025. Members of the Association pay union dues through payroll deduction. A copy of the agreement is available by [clicking here](#) or from your union representative.

Confidentiality

C.E.S. requires that employees who have access to confidential information be aware at all times of the need to protect confidential data. Employees should never discuss such confidential information with other employees or any other person unless there is a specific professional purpose related to the program of a C.E.S. student or client. Please visit www.cestrumbull.org for all C.E.S. policies.

Conference Leave and Travel Expense

Attendance by employees at any conference or training session on C.E.S. time requires prior approval from the employee's immediate supervisor, Director of Finance and Operations, and the Executive Director.

Employees who have received prior approval from their immediate supervisor, Director of Finance and Operations, and Executive Director are eligible to be reimbursed for expenses related to attendance at conferences and approved travel on C.E.S. business. **Requests for travel and/or conference reimbursement must be submitted on the approved C.E.S. voucher and authorized by the immediate supervisor and Director of Finance and Operations.** Employees will be reimbursed for mileage at the rate determined by the Executive Director. Tolls and parking fees are reimbursable only with receipts. Travel for less than one (1) mile is not a reimbursable expense. Vouchers must be submitted at the end of each month to the program supervisor. Vouchers of less than \$25.00 must be reimbursed through petty cash. Those exceeding this amount will be submitted to Administrative Services by the program supervisor by the 10th of the month following the month for which reimbursement is requested. **Reimbursement requests for travel other than the immediate preceding month will not be accepted. C.E.S will not reimburse or pay any motor vehicle fines incurred with either C.E.S. owned or rented vehicles.**

Emergency Procedures

Each classroom, office and meeting area of each C.E.S. facility should have a copy of the **C.E.S. Emergency/Disaster Guidelines**, which is to be used to guide staff through a variety of crises situations. It is the responsibility of each C.E.S. employee to be familiar with the safety procedures outlined in this guide. Please contact your immediate supervisor for a copy of the C.E.S. Emergency/Disaster Guidelines.

Cancellations/Delayed Openings

Blackboard Connect – Blackboard Connect is an electronic notification system that informs staff of emergencies, school and office closings via voicemail, and/or text message, and/or email. For all school programs, announcements of cancellations or delayed opening will be made using the Blackboard Connect system. As a backup, announcements are also posted on radio stations WICC (60 AM), WEBE (108 FM) and TV stations WFSB (3), WTNH (8) and WVIT (30).

Evaluations

Certified staff is evaluated using the C.E.S. Administrator and Teacher Evaluation Plans.

Non-Certified staff is evaluated using the C.E.S. Performance Evaluation Rubrics for their respective positions. All non-certified staff are expected to identify a special project or area of focus for professional growth annually. Newly hired Non-Certified personnel serve a probationary period of four months. These employees are evaluated using a Probationary Evaluation form prior to the end of the third month of their employment. For those non-certified personnel hired post February 1, the probationary evaluation serves as the final summative evaluation for that year.

A written review of individual job performance (both for Certified and Non-Certified staff) is conducted annually by program supervisors and signed by both parties. The evaluation is then reviewed by the Division Director and Associate Executive Director and placed in the employee's personnel file.

ID Badges

For security purposes, staff members receive an ID badge which opens the exterior doors at various locations. This badge is assigned to each employee who is responsible for the badge. Your badge should be visibly worn at all times during the work day and should not be loaned to anyone. Please make sure you have the badge with you during outdoor activities so that you can re-enter the building. You are required to turn in your ID badge at the end of the school year or upon termination of employment with C.E.S.

Should you lose this ID badge, report the loss immediately to your Program Supervisor who in turn will notify the Administrative Services office. Each badge has its own code built into it and consequently codes for lost badges will be removed from the system for security reasons. There will be a charge of \$20 to have a new badge issued.

Job Descriptions

Every new staff member will receive a written job description indicating his/her work responsibilities. Many staff will share the same job titles with other staff members. Specific responsibilities may vary according to the nature of the program.

The Executive Director of C.E.S. has the sole authority to hire all employees. Recommendations to hire are made by Program Administrators. Annual Notices of Assignment are issued prior to July 1st of each new fiscal year.

Lengths of Assignment fall into two categories:

Annual: Fiscal year July 1 – June 30 of the following year

Academic: 187 days in accordance with the academic year calendar.

Summer session employment is offered through Change of Status forms; employees are paid for days worked and no benefits are accrued.

Personnel Files

Each C.E.S. staff member has a Personnel file maintained by the Office of the Associate Executive Director, which is located at 40 Lindeman Drive. Staff members have the right to review their own file upon reasonable notice. Staff must call the Office of the Associate Executive Director at (203) 365-8828 to make an appointment during regular business hours of 8:00 a.m. to 4:00 p.m.

Reduction of Staff Statement

C.E.S. may find it necessary to reduce the number of personnel that it employs because of reduced enrollment, lack of funds, program elimination or program reduction. When necessary, positions are eliminated by the Executive Director in consultation with the Program Supervisor(s).

Staff Lunches

All staff are provided with one-half hour for lunch. Be aware that your prompt return from lunch ensures that all staff will receive their full lunch period. A designated time will be assigned to each teaching staff member and these times may not be changed without prior approval of the program supervisor. Office staff should ensure appropriate coverage of phones during their lunch breaks.

Fundraising

The many programs within our C.E.S. family conduct fundraising activities throughout the year to benefit each program's needs. We thank you for your continuing and generous support.

At the same time, some of us may also choose to offer our co-workers the opportunity to purchase fundraising items from outside the C.E.S. community; our children's schools, our churches, etc. In these instances, AND to lessen the impact of competing with C.E.S. offers, we request that such "private" sale enterprises NOT be done through direct one-to-one solicitation but, instead, be made available in certain designated areas of the workplace such as a staff lunchroom.

Please speak with your direct supervisor if you have questions regarding this request.

Voluntary Termination of Employment

Employees who voluntarily terminate their employment with C.E.S. by resignation, retirement, or otherwise must notify C.E.S. by letter to the Executive Director stating the last day of work and the reason for terminating employment. A copy of said letter should be delivered to his/her Division Director.

Administrative and professional personnel must provide notice at least four (4) weeks prior to the termination date. Support personnel must provide notice at least two (2) weeks prior to the termination date.

Non-certified employees will have a payroll deduction taken from their final pay for any used benefit time that they have not yet accrued. It is highly recommended that all non-certified employees contact Payroll prior to resigning to determine if they will owe back any funds to C.E.S. and/or review the Sick Leave Policy at www.cestrumbull.org

The Associate Executive Director shall offer to conduct an exit interview with each certified employee who voluntarily terminates employment with C.E.S. Any employee may request an exit interview.

Leave Time

Approved Leave Time is intended to cover emergencies in an individual's personal life. Most leave days must be requested using a Time-Off Request in the Employee Self-serve System. As appropriate, leave time, both paid and unpaid, will count against the FMLA entitlement. During unpaid leave, no benefits or seniority accrue.

Family Medical Leave Act (FMLA)

The FMLA entitles any ELIGIBLE employee up to 12 weeks of unpaid leave during any rolling 12-month period. The leave may be used for the birth or adoption of a child, for the provision of accepting a foster child/children, to care for your parents, spouse, or child who has a serious health condition or if you are unable to work because of your own serious health condition. You must use any available appropriate paid benefit (leave) time as part of the 12-week period before using any unpaid time. A doctor's certification may be required for absences of more than three days.

For eligibility requirements, please visit www.cestrumbull.org for all C.E.S. policies. Questions and eligibility about FMLA should be directed to the Associate Executive Director's office.

Leave Without Pay Days

C.E.S. expects all employees to honor the commitment of days to be worked as agreed to in an individual's Annual Notice of Assignment. However, in the event of an emergency, Leave Without Pay requests should be filed as soon as the need is known and no plans should be finalized until approval is given. All requests for Leave Without Pay (LWOP) days must be submitted to the employee's immediate supervisor and also receive approval from the Division Director and Executive Director.

Approval of requests for Leave Without Pay days will be at the discretion of the agency administration who will determine if there is sufficient cause to grant such leave and whether the employee's workload can be appropriately covered. The Program Administrator will have the option to limit/deny LWOP days to ensure program continuity. When appropriate or possible, staff may be required to utilize other benefit days in lieu of LWOP. Leave without pay will be granted for medical reasons to eligible recipients as provided by the Family Medical Leave Act (FMLA).

Leave Without Pay Days should not be used as an extension of holiday or vacation periods; however, if a special circumstance occurs, approval of LWOP days will be at the discretion of the Executive Director.

Bereavement Leave

In the event of death in the immediate family or any other than the immediate family with whom the employee resides, an employee may be granted one to three days of paid leave with the permission of the Division Director and the Executive Director. Staff must use the Employee Self-Service System to request Bereavement Leave. Staff shall also be granted one paid leave day per fiscal year to attend the funeral of someone not included in the definition of immediate family.

Immediate family typically includes parent, spouse, child, sibling, in-law, grandparent or grandchild.

Jury Duty

It is expected that a C.E.S. employee will respond when called for jury duty. Notify your program supervisor **immediately**, and request the time-off using the Employee Self-Service System. The annual sick leave accrual will be made available to each non-certified employee at the start of each fiscal year or at time of hire even though it has not yet been accrued by the employee. Therefore, when an employee separates from employment prior to the end of the fiscal year, and has already used more sick

leave than they have accrued, the amount overpaid to the employee will be deducted from the final pay. Sick leave days may be accumulated to a maximum of one hundred and fifty (150) days.

Part-time employees who are not twelve month employees accrue one (1) hour of sick leave for every forty (40) hours of work (up to an accumulation of forty (40) hours per calendar year) and defined as "service workers" in accordance with Public Act 11-52, Connecticut's new paid sick leave law.

According to state law, a part-time employee cannot use more than 40 hours of sick leave in a calendar year.

Employees may use a maximum of one (1) sick day in each fiscal year to attend to routine periodic medical and dental examinations.

Employees may use five (5) of his/her annually awarded sick days for family illness. The family is defined as parents, spouse and children who reside with the employee.

Sick Leave Donation

Sick leave donation is to aid employees who are suffering a prolonged illness as attested to in writing by the physician treating the employee for the illness and have exhausted his/her own leave days.

When an employee has exhausted all leave days, he/she may apply for sick leave donation.

When a certified employee applies for sick leave donation, the CESEA President or his/her designee and the Executive Director or his/her designee shall meet as a committee and decide whether or not to approve the employee's request. If a non-certified employee applies for sick leave donation, then the executive director or his/her designee will decide whether or not to approve the employee's request.

If approved, the employee requesting the donation shall be consulted as to how notice goes out for the donation.

Individual employees may donate up to five (5) days of sick leave per request. No employee may donate sick leave if the donation leaves them with fewer 90.0 hours (12 days). The employee requesting donation may receive a total of up to sixty (60) sick leave days.

Donated days shall be distributed to the requesting employee one (1) day at a time from the donating employee(s) on a rotating basis.

Sick leave days shall be removed from a donor's account only as they are used.

Donors may be anonymous or not, at their discretion.

Vacation should be used by June 30th of the fiscal year in which it is earned or granted. Where circumstances intervene to prevent the use of vacation time, then the employee may request, in writing, to the Executive Director, that up to fifty percent of earned vacation time be carried forward to the succeeding year. Child Abuse/Neglect - Policy 6.002:

C.E.S. recognizes that it is the responsibility of those employees designated by state law to report suspected cases of child abuse/neglect or at risk children in order to protect children whose health and welfare may be adversely affected through injury and neglect.

The Executive Director is authorized to establish administrative procedures, including appropriate staff training to insure the recognition and reporting of suspected child abuse/neglect or at risk children by personnel as specified in the Connecticut General Statutes and as amended.

The following C.E.S. school employees are required, as mandated reporters, by law to report any reasonable suspicion of child abuse/neglect to Dept. of Children & Families (DCF) with the understanding that failure to do so shall result in a fine of not less than \$500 nor more than \$2,500:

- Person who provides intensive ongoing instruction (e.g., consultant teachers, after-school/extra curricular activities instructors)

Behavior Management Strategies – Policy 6.013:

C.E.S. utilizes a comprehensive approach to address the behavioral, educational and social-emotional needs of students. An integral component of each program's treatment process is a behavior management system. Each system is rooted in principles of proactive behavior management and is guided by a least restrictive treatment model. More restrictive interventions, should they be necessary, are implemented in a predictable and consistent manner which afford the student the opportunity to make choices. Consistent with Public Law 99-210, the systems also include the use of physical restraint and seclusion time-out, which can be used as emergency interventions to prevent immediate or imminent injury to self or others, or, in the case of seclusionary time-out, its use can be prescribed in a student's Individual Education Plan (IEP).

The C.E.S. Representative Council authorizes the use of such behavior management strategies and emergency interventions when necessary, appropriate and in keeping with specific written administrative procedures as approved by the Executive Director. Staff will receive annual training on the use of proactive behavior strategies and the safe use of more restrictive interventions such as physical restraint and seclusion time-out. Data will be maintained related to use of more restrictive and/or emergency interventions and when requested be made available to the Commissioner of Education.

Important to note that only Physical Management Trained (PMT) trained employees may use physical restraints if required in an emergency situation. Please review Emergency Behavioral Management guidelines on our website for detailed protocols.

Wellness – Policy 6.031:

Consistent with the Child Nutrition and WIC Reauthorization Act of 2004 (Public Law 108-265), and An Act Concerning Childhood Obesity and Physical Exercise in Schools (PA 13-173), C.E.S. recognizes the importance of physical education and nutrition education for all students to promote healthy lifestyles that include physical activity and consumption of healthful foods in accordance with the USDA requirements and the Dietary Guidelines for Americans.

It is the policy of Cooperative Educational Services that:

- A C.E.S. Wellness Committee is established that engages students, parents, teachers, food service professionals, health professionals and other interested community members in developing, implementing, monitoring and reviewing district wide nutrition and physical activity policies and procedures.

- All students enrolled in C.E.S. schools and programs will have opportunities, support and encouragement to be physically active on a regular basis.

- All students in preschool and elementary programs are required to have 20 minutes of physical activity daily.

- Foods and beverages sold or served at school are required to meet the healthy food certification under Section 10-215f of the Connecticut General Statutes.

- C.E.S. staff will provide students clean, safe, and pleasant settings and adequate time for students to eat.

-To the maximum extent practicable, schools and programs of C.E.S. will participate in available federal school meal programs including the School Breakfast Program, and the National School Lunch (including after-school snacks.)

-C.E.S. will provide nutrition education and physical education to students to foster lifelong habits of healthy eating and physical activity, and will establish linkages between health education and school meal programs, and with related community services.

-A Pool Safety Plan will be implemented for all courses and activities at a school pool.

The Executive Director is authorized to establish administrative procedures to ensure that C.E.S. schools and educational programs are supporting wellness, good nutrition and regular physical activity as part of the total learning environment.

Phone Use - Policy 3.013:

Use of office telephones and equipment is limited to C.E.S. business; this applies to phone calls made and phone calls received. However, employees may make personal calls while on duty in cases of emergencies, during lunch, or before and after work hours. Employees should follow the same criteria when utilizing personal cell phones. Employees are expected to call collect or use a credit card when using C.E.S. long distance services for personal calls.

To ensure effective telephone communications, employees should always use the standard greeting and speak in a courteous and professional manner. Please confirm information received from the caller, and hang up only after the caller has done so.

Smile before you answer the phone -- a customer is on the other end! Avoid using 'cliffhangers' (see below).

Cliffhanger	Try this instead
He/She's gone	Offer to take a message
He/She's not in	Can I help you?
He/She is out at lunch	Can I get someone else to help you?

C.E.S. Vehicle Use - Policy 3.014:

C.E.S. vehicles may be used for C.E.S. business only and should not be used for personal matters. C.E.S. vehicles are operated by the Transportation Department. Only properly licensed C.E.S. employees may drive a C.E.S. vehicle and must comply with all C.E.S. Transportation Department Rules and Regulations including but not limited to State and Federal laws.

Code of Ethics - Policy 3.024:

It is the policy of Cooperative Educational Services that private employment of any C.E.S. staff member with any school district, municipality, organization, or agency with which C.E.S. or any other regional educational service center may legitimately contract for services is expressly prohibited. Furthermore, the following practices must be followed by all C.E.S. employees. C.E.S. employees:

- May not sell products or services as private practitioners to any Connecticut school district, municipality, organization, or agency with whom C.E.S. or any other regional educational service center may legitimately contract;
- May not market or distribute products or expertise developed at C.E.S. for personal gain and will recognize that any such products are the property of C.E.S.
- Use his/her position at C.E.S. to develop or promote private work situations that would represent a conflict of interest;
- May not use time at C.E.S., or C.E.S. resources, to prepare, market, or deliver programs for personal gain;
- Will follow established C.E.S. practices to respond to a request for services.

Rationale:

C.E.S. employees are selected for employment based on the value that their backgrounds and expertise can bring to Cooperative Educational Services and the districts it serves. Being on the staff of a regional educational service center gives professionals who perform a service exposure to a wide market. This exposure may present opportunities for additional business for Cooperative Educational Services related to the staff member's area of expertise, including referrals to other organizations that may need a similar service. Therefore, employees who accept private consultation work are detracting from the services available through the agency and can detract from business expansion efforts. A C.E.S. employee is defined as an individual hired by C.E.S. for salary, full or part-time.

Non-Discrimination - Policy 3.001:

Cooperative Educational Services (C.E.S.) is committed to the promotion of nondiscrimination and an environment free of harassment. Therefore, it is the policy of C.E.S. that no person shall be excluded from participation in, denied the benefits of, or otherwise discriminated against under any service or program on account of race, color, religious creed, age, marital or civil union status, national origin, sex, sexual orientation, gender identity or expression, ancestry, residence, present or past history of mental disorder, mental retardation, learning disability or physical disability including, but not limited to, blindness, or pregnancy and provides equal access to the Boy Scouts and other designated youth groups.

The Executive Director shall appoint and make known the individuals to contact on issues concerning the American with Disabilities Act (ADA), Section 504 of the Rehabilitation Act of 1974, Title VI, Title VII, Title IX, and other civil rights or discrimination issues.

Conn. Gen. Stat. §§ 46a-60, 46a-81a, 46a-81c

Therefore, it is the policy of C.E.S. that no person shall be excluded from participation in, denied the benefits of, or otherwise discriminated against under any service or program, including employment, because of race, color, religious creed, age, marital or civil union status, national origin, sex, sexual orientation, gender identity or expression, ancestry, residence, present or past history of mental disorder, mental retardation, learning disability or physical disability, including, but not limited to blindness, or pregnancy. Workplace Problem Resolution – Policy 3.001(a)

It is the policy of C.E.S. that all employees be assured of fair and equitable behavioral treatment in the workplace. To ensure a positive and productive environment, it is expected that all C.E.S. employees will resolve problems related to their job responsibilities at the level at which they occur with positive communication and focus on the issues not the individuals. Employees not able to resolve problems at this level may employ the grievance procedures of Policy 3.003A.

Substance Abuse Prevention/Drug Testing - Policy 3.004

Institutional racism

The collective failure of a public or private organization to provide an appropriate and professional service to people because of their race, color, culture or ethnic origin which can be seen or detected in practices, processes, systems, attitudes and behavior. It looks beyond individual acts of prejudice to the systemic biases that may be built into institutions. These systemic biases discriminate against and disadvantage people of color through unwitting prejudice, ignorance, thoughtlessness or racial stereotyping.

Responsible Use

Responsible use of the Agency's technology resources is expected to be ethical, respectful, and academically honest. Digital storage on agency servers or on the cloud as well as technology devices used for any purpose will be treated as extensions of the Agency's technology. The Executive Director, or his or her designee, may review files and communications including electronic mail to ensure that users are using the system in accordance with Agency policy. Users should not have any expectation of privacy in files stored electronically. Electronic files, data and communications stored or disseminated through the Agency's technology may be subject to disclosure pursuant to the Freedom of Information Act.

Users may not access the Agency's networks without prior written authorization and are expected to comply with the following rules of network etiquette and citizenship, including but not limited to:

- A. Use of the C.E.S. network, technology devices, the student and parent portal, and social media must be consistent with the Agency's educational objectives and curriculum.
- B. Transmission of material in violation of any local, Federal, or State law is prohibited.
- C. Intentional or unintentional use of Agency resources to access or process, proxy sites, pornographic, obscene, sexually explicit, harassing, threatening or illegal material or communications or explicit text or files or files dangerous to the integrity of the network is strictly prohibited.
- D. Cyberbullying is prohibited at all times, whether in the agency or out of the agency, on any device using any connection.

- E. Software, applications, and media may not be installed, downloaded or uploaded without prior approval from the Information Technology Department having an approved Software Form from the Building Principal, Director of Finance and Operations, Associate Executive Director, or Executive Director.
- F. Use of the Agency network for commercial activities, product advertisement, religious or political campaigning, lobbying, or solicitation of non-agency material is prohibited.
- G. Accessing unauthorized chat rooms or instant messaging using the Agency's network is prohibited.
- H. Bypassing the Agency's content filter is strictly prohibited.
- I. Users may not share their passwords and are expected to maintain their passwords privately and securely.
- J. Users shall not vandalize, damage, disable, intentionally disrupt or degrade the Agency's technology systems or network and may be held personally and financially responsible for malicious or intentional damage or interruptions to network service, software, data, user accounts, hardware, and/or any other unauthorized use.
- K. Files stored on Agency-managed or cloud networks are the property of the Agency and may be inspected at any time.
- L. Materials published electronically must be for educational purposes. Administrators may monitor these materials to ensure compliance with content standards.
- M. Each user is responsible for taking reasonable precautions to ensure he or she does not introduce viruses into the Agency's network. All material not belonging to the Agency must be scanned for viruses prior to being placed onto the Agency's computer system. Users should understand that their home computers and laptops might contain viruses. All disks, memory sticks or perpetual media (e.g., DVD, CD) transferred from these computers to the Agency's network must be scanned for viruses.
- N. Users shall not "hack into," "snoop," monitor any network traffic or otherwise access data not intended for the user including, but not limited to, other users' files and administrative data.
- O. Users shall not violate copyright or otherwise use the intellectual property of another individual or organization without permission.
- P. Users shall not plagiarize (to take material created by others and presenting it as if it were one's own) or cheat (to deceive by trickery, mislead or fool).

- Q. Users shall not send, transmit, or otherwise disseminate proprietary data, personally identifiable information about students or other confidential information.

Procedures for Use

- A. Students shall receive education about the following:
- a. Safety and security while using e-mail, chat rooms, social media, and other forms of electronic communications;
 - b. The dangers inherent in online disclosure of personally identifiable information; and
 - c. The consequences of unauthorized access including but not limited to hacking, cyberbullying, and other unlawful or inappropriate activities online.
- B. All users shall not (1) access or use another person's account without written permission; (2) share their password with anyone else or engage in activities that would reveal anyone's password; (3) allow others to access a computer that the user is logged on to; or (4) ever sign in, or attempt to sign in, as another person.
- C. All student users and their parents are required to sign a written agreement annually, or at the time of enrollment, to abide by the terms and conditions of this policy and any administrative procedures and guidelines. If the agreement is not signed, Agency network privileges will not be given. All employees are required to sign an employee written agreement. If the agreement is not signed, Agency network privileges will not be given. The written agreement may be disseminated using an electronic means.

Violations and Sanctions

Accessing the internet or Agency network is a privilege, not a right. Inappropriate use and violation of this or any other Agency policy may result in cancellation of all network access. Inappropriate material is defined as any material or use that is inconsistent with the goals, objectives, and policies of the educational mission of the Agency. Any user can be denied access temporarily or permanently if the school or Agency administrator determines that a user has used the Internet or Agency network in an inappropriate or unacceptable manner. Students may also be disciplined or subject to other legal action.

No Expectation of Privacy

All users are warned that there should be no expectation of privacy in connection with the use of the Agency's computer resources. Users should not create, store or use messages, files or other information which they do not want school authorities to see. The following reasons explain why users should have no expectation of privacy:

- A. The Agency may have a duty under federal law to monitor on-line activities of users and enforce the use of protective measures. Authorized administrators and staff may review use of the Agency's computer resources and the Internet at any time, without reason or prior notice, to maintain system integrity and determine that users are acting responsibly or otherwise consistent with this policy.
- B. Computer resources are owned, controlled, and maintained by the Agency. They are provided to staff and students to be used for educational purposes only. Files or any information stored on school-based networks are subject to periodic inspection and routine maintenance.
- C. E-mail communications can be stored indefinitely on any number of computers. Copies of messages may be forwarded to others either electronically or on paper. In addition, e-mail sent to non-existent or incorrect user names may be delivered to persons that you never intended.
- D. Use of passwords to gain access to the computer network or to encode particular files or messages does not imply that users have an expectation of privacy in such access or materials. The Agency has global passwords that permit it to access all material stored on the computer system, regardless of whether that material has been encoded with a particular user's password.
- E. Agency personnel may receive or create e-mail messages and other documents that are public records that may be subject to disclosure under the Freedom of Information Act.

Use of Computer Resources by School Personnel

The computer resources are the property of the Agency and may only be used for approved purposes. Users are permitted access to assist them in the performance of their jobs. Occasional use of the computer resources by an individual school employee for personal communications is permitted when the use does not interfere with the employee's or other user's job responsibilities, performance of the computer resources, or operation of the Agency. A short social message and a quick note to a family member are examples of permitted personal use. Use for personal or third party gain or profit, or for entertainment, is strictly prohibited. Solicitation for any purpose, other than to support a community service drive officially sponsored by the Agency, will not be tolerated.

Employees are reminded that this limited, occasional personal use must comply with this policy, and all other policies, regulations and practices of the Agency. Use of computer resources is a privilege that may be revoked at any time, in whole or in part, at the sole discretion of the Agency.

Policy Violations

Users who become aware of any misuse of computer resources must immediately report the incident to the administration. Any violation of this policy may result in immediate termination of school-provided access to computer resources, including the Internet. Additional disciplinary action may be taken in keeping with existing policies, procedures and practices regarding the conduct, including but not limited to suspension and/or expulsion from school (students) or termination of employment (personnel). When appropriate, law enforcement agencies may be involved and legal action or prosecution may result.

Representative Council Liability

The Representative Council makes no warranties of any kind, neither expressed nor implied, for the use of computer resources and the Internet access it is providing.

The Representative Council is not responsible, and shall not be liable, for:

- A. Damage resulting from unauthorized or inappropriate Agency network or social media activity;
- B. Use of information obtained via the Internet, including any damages a user may incur including but not limited to, loss of data resulting from delays, non-deliveries, misdeliveries, or service interruptions caused by negligence, errors;
- C. The accuracy or quality of information obtained through the Internet;
- D. Unfiltered content that may be viewed or downloaded on Agency equipment that has been provided to individuals for use outside Agency property;
- E. Issues or damage caused by the connection of personal devices to the Agency's network or improper use of the Agency's network or equipment; or
- F. Personally owned devices that are damaged, lost, or stolen.

Notice of Policy

Students and school personnel shall be given notice of this policy annually. All other users shall be given notice of this policy prior to obtaining access to or using Agency computer resources.

Each user is required to sign an Acknowledgement Form stating that they have received notice of and understand this policy and any accompanying administrative regulations.

The administration may issue regulations and guidelines in connection with this policy.

Responsible Use Policy Agreement
COOPERATIVE EDUCATIONAL SERVICES

What is the Responsible Use Policy Agreement?

The Responsible Use Policy was adopted by C.E.S. Representative Council in 2018. The Responsible Use Policy (RUP) outlines the Council's specific expectations for students' use of the school system's electronic information resources, including the school system's computer networks and the Internet.

The RUP requires the preparation of the Responsible Use Policy Agreement which one parent (or legal guardian) and all students in grades first through twelve are required to sign and return to school before the student will be allowed to access and use these resources. By reading and signing this Agreement, you are giving your permission for your child to use these resources, and you are stating that you understand and will explain to your child what the Agreement means. Students in grades kindergarten through twelve are required to sign the Agreement to indicate that they understand the RUP and the Agreement and agree to abide by them.

New technologies have greatly expanded the amount and type of information available to students and teachers. In addition to our large collection of print media in the school libraries, each school has access to a large array of electronic information systems via electronic periodicals and encyclopedias and the Internet. However, access to so much information brings new responsibilities to use the resources and information responsibly and ethically. Below you will find a summary of the guidelines for accessing and using all the information obtained through these technologies. We teach a simple and straightforward version of the following guidelines starting in grade K, and we add more complex dimensions as students' progress through the school system.

Student Consent Form

As a user of the C.E.S. electronic information resources and computer networks, I have read, understand and will abide by the Responsible Use Agreement which implements the Responsible Use Policy. I understand that my signature and the signature of one of my parents or legal guardians are preconditions to my accessing and using the Agency's electronic information resources. I also specifically agree to the following:

1. I will use digital technology resources only for educational and research purposes that are consistent with the educational objectives of my teachers and the Representative Council.
2. I will use digital resources in a responsible, ethical and legal manner at all times. I will not intentionally do anything to another users' work on the resources.
3. I will not plagiarize. I will give appropriate citations to an author or resource as the source of information I find.
4. I will use digital technology resources as directed by a teacher or staff member.
5. I will be considerate of other users and data privacy when using Agency resources. I will be polite and use appropriate language at all times. My log-in and password will be kept private and not shared with other users. I will not use another user's login and password to access the agency network.
6. I will send and receive electronic mail (email) appropriately for educational purposes. I will report any inappropriate email messages or any misuses of email immediately.
7. I will not give out any personal information regarding myself or anyone else in the agency while using email.
8. I will never intentionally damage, degrade or disrupt the electronic information resources, including computer services or computer equipment. I will not tamper with computer hardware or software, vandalize or change data in any way, intentionally introduce computer viruses, attempt to gain access to restricted or unauthorized networks or network services or violate copyright laws. I understand that such activity may be a crime.
9. I will use the portal for educational requirements and will use appropriate language at all times.

10. If I do not follow the rules outlined in this Agreement and in the Responsible Use Policy, I know that I may lose my privilege to use the Agency's electronic information resources. I also know that I may be disciplined for not following the rules and that my parents and I may have to pay for any damage I cause because of my intentional misuse of these resources.
11. I am aware that some violations of the Responsible Use Policy may also be violations of local, state and federal laws and regulations and that I may be prosecuted for violating those laws.

I give the C.E.S. Representative Council permission to allow my child to access and use the electronic information resources in the schools for educational purposes. I understand that when using a resource such as the Internet, it is impossible to restrict access to all controversial or potentially inappropriate materials or to predict with complete certainty what information a user may locate. I understand that the Agency will use filtering programs, access controls and active supervision of students and will make all reasonable efforts to protect students from any misuses or abuses as a result of their use of the Agency's electronic information resources.

My child and I have read the Council's Responsible Use Policy and this Responsible Use Policy Agreement for grades kindergarten through twelve, and we have discussed the Policy and this Agreement. I understand that my child, in addition, will receive several lessons from school personnel about the Responsible Use Policy and the Responsible Use Policy Agreement.

I understand, and explained to my child, that he or she may lose his or her privilege to use these resources at school and may be disciplined if he or she does not follow all of the rules outlined in the Responsible Use Policy and the Responsible Use Policy Agreement. **NOTICE REGARDING ELECTRONIC MONITORING
of School Agency Personnel and Guest Users**

In accordance with Connecticut law, the C.E.S. Representative Council ("Agency") hereby gives notice to all its employees of the potential use of electronic monitoring in its workplace. While the Agency may not actually engage in the use of electronic monitoring, it reserves the right to do so as management deems appropriate in its discretion, consistent with the provisions set forth in this notice.

"Electronic monitoring", means the collection of information on Agency premises concerning employees' activities or communications, by any means other than direct observation of the employees. Electronic monitoring includes the use of a computer, telephone, wire, radio, camera, electromagnetic, photo electronic or photo-optical systems.

The law does not cover the collection of information for security purposes in any common areas of Agency premises which are open to the public, or which is prohibited under other state or federal law.

The following specific types of electronic monitoring may be used by the Agency in its workplaces:

- Monitoring of e-mail, Internet usage and other components of the Agency's computer resources for compliance with its policies, procedures and guidelines concerning use of such resources.
- Video and/or audio surveillance within the Agency's facilities (other than in restrooms, locker rooms, lounges and other areas designed for the health or personal comfort of employees or for the safeguarding of their possessions).
- Monitoring of employee usage of Agency's telephone systems.

The law also provides that, where electronic monitoring may produce evidence of misconduct, the Agency may use electronic monitoring without any prior notice when it has reasonable grounds to believe employees are engaged in conduct that violates the law, violates the legal rights of the Agency or other employees, or creates a hostile work environment

Failure to adhere to the guidelines and conditions set forth in this document may result in suspension of network access and/or appropriate disciplinary/legal action, including criminal prosecution.

Guidelines for Email Communication

In the spirit of being a quality agency focusing on continual improvement, the following are offered as memory joggers for things we at C.E.S. say and do while carrying out our responsibilities to those for whom we work and to our colleagues in the work place. Since there is no direct verbal or visual link between people in electronic mail, the following are suggestions for successful communication:

- Do not let e-mail become a substitute for personal contact.
- Please think about whom else, beside the person to whom you are sending mail, may read your message.
- Try to picture how your message's receiver will react when reading your message.
- Please think about the tone of your message; inadvertent sarcasm or harshness might be interpreted.
- Begin electronic mail messages with greetings.
- Communicate messages clearly and concisely.
- Check your messages for appropriate grammar and punctuation.
- Verify any attachments you may be sending.
- Read and reread your message before sending it; think about the receiver of the message.
- Keep in mind that readers will respond more willing to the writer who remembers the human element.
- Check your e-mail regularly and respond to the writer as soon as possible.
- When sending mail do not assume that the recipient has read the message.
- Remember that your message may easily be forwarded to another person.
- Remember that even though the medium is electronic, the recipient of the message is human.

Guidelines for Voicemail Communication

- Do not let voicemail become a substitute for personal contact.
- Create a voicemail greeting that communicates important messages with clarity.
- Change your voicemail greeting to reflect changes in your schedule.
- Remember that even though the medium is electronic, the recipient of the message is human.
- Give the caller a means to reach another person who may be of assistance.
- Check your voicemail regularly and respond to messages as quickly and efficiently as possible.
- If you are leaving a message with a telephone number, speak slowly so the recipient can write the number correctly

Guidelines for the Use of Social Networking Websites

The rapid growth of social networking and electronic communications has emerged as an opportunity for outreach, information sharing, new product development, enhanced service delivery, marketing and advocacy. For purposes of these guidelines, social networking includes but is not limited to online social networking sites like Twitter, Facebook, LinkedIn, YouTube, WikiSpaces, Live Journal, and MySpace.

Many employees at C.E.S. are currently using social networking sites and many more will do so in the future. C.E.S. trusts – and expects – that all of its employees will behave professionally and exercise personal responsibility whenever they use social networking sites. We encourage our employees to be advocates for C.E.S., our member districts and the communities we serve, and social networking provides a powerful tool for doing so.

Even when employee use of social networking and electronic communication takes place outside of work, as personal activities should, what is communicated may cause a disruption to C.E.S. activities and may have an impact on an employee's ability to perform his/her job, a colleague's abilities to do his/her job and on the best interests of C.E.S.

C.E.S. acknowledges that employees have the right, in certain circumstances, to speak out on matters of public concern. However, C.E.S. will investigate any reports on the inappropriate use of social networking by employees, including employees' personal use of such media, when that use:

- Disrupts and/or interferes with the work or activities of C.E.S.
- Is used to harass coworkers or other members of the C.E.S. community
- Creates a hostile work environment
- Breaches confidentiality obligations of C.E.S. employees and/or students
- Harms the goodwill and reputation of C.E.S. in the community
- Includes improper fraternization with students

If C.E.S. discovers a staff member's inappropriate use of social networking sites, or other inappropriate conduct online or discovers that an employee has violated any provision contained in these guidelines, C.E.S. may consider disciplinary action against the staff member leading up to and including termination of employment.

Nothing in these guidelines gives any C.E.S. employee permission to represent C.E.S. online. No employee has the authority to represent or speak on behalf of C.E.S. unless they have been officially designated to do so.

Official online communications on behalf of C.E.S., including the creation and management of wikis, blogs, social networking pages, and other online sites representing C.E.S. or any C.E.S. affiliated school or program must first be approved by the employee's supervisor and the executive director or his/her designee prior to publishing online. All work-related online sites must be coordinated with and approved by the employee's supervisor and all content must be reviewed before it is published unless a different arrangement has been approved. Administrative rights to all work related pages and sites must also be given to the supervisor or his/her designee before publishing.

Remember, as an employee of C.E.S., you are an advocate for and a representative of the agency regardless if your online communication is on a personal or C.E.S. sponsored/affiliated site.

Guidelines Concerning PROFESSIONAL AND C.E.S. SPONSORED/AFFILIATED social networking sites

These guidelines apply to the use of any social networking sites like Twitter, Facebook, LinkedIn, YouTube, WikiSpaces, Live Journal, and MySpace sites for C.E.S. communication purposes.

Permission is required. If you would like to use any online sites as a tool to enhance or expand the delivery of information regarding C.E.S. events, programs and/or services, you must first obtain permission by your supervisor prior to publishing the page.

Administrative rights must be shared. Before any C.E.S. affiliated social networking site is published, administrative rights must be shared with a supervisor or administrator within the agency for the purpose of monitoring content and collaboration with publishing the site.

Use of logos and photos. No employee is permitted to use any C.E.S. school or program logo without first obtaining permission. No C.E.S. photos of students, staff, families or facilities may be used without the written permission of the individuals pictured in the photos or the C.E.S. facilities manager (when a photo of a C.E.S. building is being published). Do not post copyrighted materials (e.g. photographs, logos) from the internet without permission from the owner.

Be professional at all times. As a C.E.S. employee you are required to maintain appropriate professional boundaries in any C.E.S. sponsored/related social networking sites. This includes appropriate speech, refraining from the use of harassing, defamatory, abusive, discriminatory or threatening language.

Your communication can be monitored. You should have no expectation of personal privacy when using C.E.S. computers and electronic data devices.
