

How Can I Help My Child
Be Ready For 2nd Grade?

Be a Superhero.....READ!

**Please encourage your child to
read this summer!**

IXL:

**Take advantage of ready made math
and ELA practice for your child on
the IXL website. Students have
their logins inside their agenda.**

Practice Math Facts:

**Students who know basic addition
and subtraction facts of numbers up
to 20 will have a better transition
into 2nd grade. Flashcards are a
great way to practice facts or
simply call out facts and have your
child answer while you are driving
to just about anywhere!**

Let the
Adventure Begin!

2nd
Grade

We can't wait to see you
in 2nd grade!!

What should I expect in 2nd Grade?

Students should be able to:

- * **Read on grade level books (beginning w/ level J)for about 20 minutes**
- * **Use a variety of strategies to read difficult words**
- * **Use a variety of strategies to comprehend what they've read**
- * **Choose just right books**
- * **Answer questions in complete sentences**

- **Basic math facts—Addition and Subtraction**
 - **Skip count to 100 by 2's, 5's, and 10's**
 - **Money - Be able to identify coins and give the value of each**
 - **Place Value - Identify ones, tens, and hundreds place**
 - **Time - Be able to identify the hour and minute hand. Be able to tell time to the hour**
 - **Solve single and multi-step word problems**

This year students will need to MASTER basic math facts (addition, subtraction, and multiplication 0,1,2,5,10's)

Reading

- ♦ **Correct letter formation (HANDWRITING!)**
- ♦ **Write a complete sentence with proper capitalization, punctuation, and spacing**
- ♦ **Write correctly on wide ruled notebook paper - such as how to write on the lines and recognize that the holes are on the left side of the paper**
