Weekly News

At Delphic School Students and Staff are Safe, Respectful, and Responsible

In like a lion, out like a lamb

March 6, 2020

Superintendent/Principal Message

Dear Parents and Families,

Thanks for another great week at Delphic. If you haven't met our new secretary, please come in and introduce yourself. He is catching up on some paperwork. If he requests anything from you, please get it back to him in a timely fashion.

At this point we'd like to remind everyone to practice good hygiene and especially hand washing, in light of the recent CoronaVirus. If you would like more information here is a link provided by the county nurse.
<https://www.co.siskiyou.ca.us/content/public-health-division>

We would like to congratulate Kaylee and Patience for representing top academics this coming week at the North County Student Recognition Luncheon. Thanks for working so hard Kaylee and Patience!

Please continue to send students to school with water bottles. We are still working to resolve our water issue and will keep you posted. Don't hesitate to call the school with any questions.

For the kids!

Ms. Thomas,

Email: jthomas@sisnet.ssku.k12.ca.us

CLASSROOM UPDATES

K-2 GRADE

- The kindergartners are learning the letter "Ss" and the number "19". They also rocked their first spelling test last week. The first and second grades rocked their math tests!! In the afternoons, they learned about erosion and tornadoes which tied in with the 2nd grade reading books. There have been a lot of Dr. Seuss activities for Dr. Seuss week.

3-5 GRADE

- Read Across America week was a lot of fun! We read Dr. Seuss books, wrote responses to Dr. Seuss stories and quotes, and then completed some Seuss-y math problems. We also started interim testing to prep for our yearly CAASPP testing in the spring. If possible, please schedule medical appointments for after school so that your student is present and able to complete these important assessments.

6-8 GRADE

- Hello Families! I would like to put some friendly reminders out for you to discuss with your child. Because we are at the end of the 2nd semester and starting our 3rd semester next week, please be asking to see your child's homework folder each day and sign their reading log for Mon-Thur each night after they read. Last, I want to remind you and your child that our phone policy is that they can have it at school, but needs to be turned off and in their backpack during school hours. If they need to use it, they are expected to ask me first. Thank you for your support.

SAFE Notes

(Safe Afterschool For Everyone)

The Safe student of the week is Laticia Martinez. She is so kind and loving, we appreciate her willingness to always help out. She is also a very good friend to others.
