# Zoom Etiquette

- Music zoom etiquette is the same as for other classes
- Remember that the whole class can see what is in the background of your child.
- I am giving directions to mute and unmute. I can mute students, but I cannot unmute them. Help your child know how to accept the my request to unmute. The space bar unmutes only while you are holding it down.
- No eating during class.
- Students do not need to ask to go to the bathroom.
- I appreciate your support during class, please let your student do the work.
- Keep your video on throughout class.

# Google Classroom Information

- Your student has 4 Google Classrooms: my class (Music), Science, PE, and their homeroom teacher.
- On my Google Classroom the “Stream” will have the latest announcements.
- Go to “Classwork” to see information about logging in to Quaver and other information. Class-specific information is sorted by teacher.

A screenshot of the Google Classroom interface. At the top, there are four tabs: "Stream", "Classwork" (which is selected and highlighted with a teal underline), "People", and "Grades". Below the tabs, there is a teal "Create" button with a plus sign. To the right of the "Create" button, there are two icons: a calendar icon labeled "Google Calendar" and a folder icon labeled "Class Drive folder". Below these elements, the text "Important Information" is displayed in a large teal font, followed by a vertical ellipsis menu icon. At the bottom of the screenshot, there is a teal circular icon with a document symbol, followed by the text "Logging In to Quaver" and a speech bubble icon with the number "2". To the right of this, the text "Edited Aug 30" is visible.

# What are We Learning this Year?

Students in Music will focus on:

- Learning how to create, perform, read and listen to music
- Learning about the history of music and genres of music
- Learning about instruments in the orchestra
- And other fun projects!

We are using QuaverEd Music Curriculum.

# Quaver Music

- Quaver is our online music curriculum platform
- Students can log on and complete assignments, play games, and explore Quaver Street
- Students can log in through Clever
- All login information is on Google Classroom
- Quaver tour!

# Questions

I will be posting this presentation on my webpage in case you missed something.
