Dear Teacher,

Thanks for downloading this resource! In it, you'll find many different options for lined writing paper for your students, including different line sizes and page orientations.

If you're looking for writing lessons for your Kindergarten, lst grade, or 2nd grade students, click on any image below to check out my writing bundles (you can also purchase individual units):

If you have any trouble printing these materials, please follow these steps:

- I. Update your Adobe Reader and then restart your computer.
- 2. Open this file in Adobe Reader. After you click "print," click on "Advanced." Then use the option to "print as image" (see instructions below). You may also need to change the printing settings to "fit" or "shrink oversized pages."

If you have any questions, you can write me at Alison@LearningAtThePrimaryPond.com.
