

T.I.S. Digital Backpack

March 15, 2021

FROM THE PRINCIPAL'S OFFICE:

Adherence to In-Person or Remote Designation

All students are assigned to one of two designations, either in-person M, T, Th and F or fully remote. Please understand that these designations must not be changed simply for the sake of convenience. Sudden changes to a child's designation often results in a student not having the necessary materials needed to participate in classroom lessons. Keeping a child at home because they are not feeling well and having them work remotely is an appropriate reason to switch a designation in the short term, abruptly switching a child to remote as a matter of convenience cannot be accommodated.

Bookfair

A modified version of our annual Spring book fair will be held the week of March 22-26. The modified version of the fair will consist of Scholastic bookcases being placed in an open area of the building. Students will be walked to the fair in small groups. Prior to and after visiting the fair, student groups will be required to wash or sanitize their hands. Students wishing to order a book from the fair will be provided with an order form. Order forms may be returned to a child's classroom teacher the following day. Book orders will be processed in the evenings and left in classrooms for students to take home.

Celebration in Mrs. Babiec's Class

On Friday, February 12, students in Mrs. Babiec's class learned about Chinese New Year. As a culminating activity, the class held a mini-parade throughout the school. (See pics on next page.)

2:45 Dismissal Beginning March 29

Both T.I.S. and Birch Grove will begin dismissing students at 2:45 on Mondays, Tuesdays, Thursdays and Fridays beginning March 30. After school pickups will be held from 2:45 - 3:10 in the rear of the building. On Wednesdays, students will be dismissed at 12:45. After school pickups will be held from 12:45 - 1:10 in the rear of the building.

Please [click here](#) to view Dr. Willett's message regarding the move to a five day in person model.

Chromebooks

Students will need to bring district issued Chromebooks back and forth to school each day. The reasoning behind this decision is that teachers may be assigning tasks that require the use of a district issued device from home. Personally owned devices may soon become obsolete for district use, as the IT department will not be able to continually push out apps and updates to devices that are not part of the district domain. In addition, at this point the schools do not have mass charging capabilities for devices.

SBAC Testing

Tolland Intermediate School will be administering the SBAC test to students the week of April 25. Students will be taking the test on their newly issued Chromebooks. More information regarding the SBAC will be sent out later this month.

Fifth Grade Esteem Day

On Monday, April 5th, T.I.S. fifth grade students will have the unique opportunity to spend the morning with a group of Esteem trained students from Canton High School. These high school students are trained counselors who work with younger children as part of a program known as Esteem.

Some of the topics covered in the Esteem program are:

- Self-esteem
- Awareness of drug and alcohol-related issues
- Empathy
- Peer pressure
- Developing coping skills

The Canton High students and advisers will work remotely along with our students and teachers discussing topics listed above. Thanks to the Esteem coordinators from Canton High School, Mrs. Racco and Miss Yaglowksi for adapting the traditional Esteem Program in order for our students to experience it this year amidst COVID-19 restrictions.

T.I.S. CALENDAR

March 

- 1 Acceptance Month Begins
- 4-5 Early Dismissal Both Days: Parent-Teacher Conferences
- 12 Pi Day
- ~~17 Hawk Nests, 11:15~~ **MOVED TO MARCH 24TH**
- 17 Coffee with the Principal (see flyer)
- 22-26 Spring Book Fair Sponsored by the PTO
- 24 Hawk Nests, 11:15
- ~~26 Wear Your Class Colors Day (3rd=green, 4th=red, 5th=blue)~~
- 26 **NEW!!** SUPERHERO DAY (more info to follow)

WHAT'S HAPPENING IN OUR CLASSROOMS

GRADE 3

First, we would like to reach out and thank you for all of your support during the changes this year. We have made it through hybrid, transitioning to 4 day in person, then we went remote for a brief time, and now we are moving towards 5 day in-person. These are a lot of changes and everyone is doing a wonderful job with all the transitions. Especially the students! They are such troopers and are doing just what they should be doing. Wearing a mask, remaining socially distant, washing hands, and following new school protocols are not easy and our TIS Hawks are doing amazing. Thank you for all your support at home!

In addition to all of these new routines, they are plugging right along in our third-grade curriculum. In Foundations most classes are working on Unit 8, which focuses on the -le syllable type, adding suffixes, and many sound alike words. In our Journeys Reading Program students are reading non-fiction texts about finding fossils, trees, and then we will read a play called Two Bear Cubs. We are focusing on text features, story structure and making inferences. Our grammar focuses are the verb "Be" and comparing nouns. Please continue to read each night with your child, you can read together, or they can read independently.

Our third-grade teachers have been teaching about multiplication, fractions, rounding, and many other skills in our various math programs. The best way to support learning is to have students practice their math facts at home. You can have them work on Reflex or play math games such as reject, war, circles and stars, and any other fun activity that reinforces math facts. Flash cards or just practicing in the car on the way to sports, events or even Big Y can make a big difference.

In science we are working on a unit called "Odd Motion". We are learning about forces, gravity, magnetism, and other skills in physics. Students have done experiments involving moving matchbox cars, and some classes have even made magnetic slime. Third graders are very excited about these hands-on activities. We'll be moving on to a unit on fossils and then transitioning back to social studies this spring.

Again, thank you for all that you are doing at home to support in-person learners and remote learners. We are excited about the change to 5 day in-person learning at the end of March. We just can't wait to have students in for a full- week.

GRADE 4

Fourth grade students are working with decimals and fractions. We are engaging in various activities to help students visualize these concepts. During math learning lab students are expanding their math skills in other areas, such as graphs, charts, and measurement, and also reinforcing skills that have already been covered..

In Language Arts, we started Unit 3, “Inside Nature”, which focuses on non-fiction selections about understanding what’s happening in the natural world around us. This unit aligns nicely with the social studies unit about the Northeast Region of the country, and also the next science unit about biomimicry. Non-fiction writing skills, such as research, planning, and drafting an expository piece of writing, are being integrated with the social studies and science units to provide students with practical application of their writing skills.

Our students continue to enthusiastically embrace learning though the uncertain environment of a pandemic. We are so proud of them.

GRADE 5

Fifth graders have been challenged to collectively read 150 books for the month of March. Students have read almost 50 books already! Please encourage your child to read at home.

Fifth grade scientists are wrapping up their Astronomy unit and will soon begin their Biology unit. This unit focuses on abiotic and biotic factors that help ecosystems to thrive. The main organism students are focused on are the Golden Jellyfish of Lake Palau.

In math, students are beginning their new unit which focuses first on multiplication of decimals by whole numbers, and then division of decimals by whole numbers. These computations are investigated using concrete models, calculators, and drawings, and arise from a variety of problem situations. The unit emphasizes estimation and understanding of place value in order to determine placement of the decimal point. A special focus is multiplication and division by powers of 10.

In ELA, students finished reading “The Phantom Tollbooth,” by Norton Juster last week. This entertaining book used literal and figurative language for a play on words. To culminate the unit, students enjoyed watching the movie with the entire grade logged into one google classroom.

To reinforce figurative language, students are reading “Loser,” by Jerry Spinelli. Students are working in small groups reading, discussing and answering comprehension questions with their book clubs.

Social Studies students just finished their performance assessment presentations for Colonization and are starting Unit 3: The French and Indian War and American Revolution.

Fifth grade teachers are excited to have a virtual Esteem Program this year. The program will take place in the classrooms on Monday, April 8th 9:00 am to 10:50 am with class activities to follow. There will also be a recorded evening portion for parents to watch with your fifth grader at your convenience. More information is in the next few pages of this digital backpack.

You Are Cordially Invited To:

COFFEE WITH THE PRINCIPAL
2020-2021

T.I.S. Coffee with the Principal will be VIRTUAL this year.

TIS is having a Scholastic Book Fair!

It may look much different than past book fairs, but the students who are in school will have a chance to browse some books and add them to a wish list/order form that they will take home. There will be instructions on that form on how to order the books. The book fair will take place for **in-school students only** the week of **03/22 - 3/26**. It will not be open to the public or parents. Please ask your child about our book fair and keep an eye out for the order forms!

We will also have our online store up and running especially for the full-time remote students. Orders are delivered right to your doorstep and you can take advantage of FREE shipping on book-only purchases over \$25. Head over to our website at

<https://www.scholastic.com/bf/tollandintermediateschool>

New to Spring!! **Teacher Wishlist e-Wallet**

Follow the link below to add funds to the e-Wallet so that your child's teacher can get books for his or her classroom.

Tolland Family Resource Center
Birch Grove Primary School
247 Rhodes Rd. Tolland, CT 06084

April Vacation Registration held at Tolland Intermediate School

Dear Parent,

The Tolland Family Resource Center's School-Age Care Program will be open for the Spring Break. The program will run Monday, April 19-Friday, April 23 at Tolland Intermediate School room 227B. Please register if your child(ren) will be attending the FRC School-Age Care Program during April vacation by Friday, April 1 2021. The center will be open 7:00 a.m. - 6:00 p.m. Each day will be a preview to the themes of our Summer Camp.

If we have 10 children or less registered we will close at 4:00, less than 6 registered the program will be cancelled.

Cost: \$50.00 each day

Child's Name: _____ grade: _____ home phone _____

Parent's Name: _____ cell: _____ work: _____

E-mail address _____

Days (please check):

Monday _____ "Super Hero Day"

Tuesday _____ "Wide World of Sports"

Wednesday _____ "Kaleidoscope"

Thursday _____ "Green Day"

Friday _____ "Exploration"

Times child will be attending: Drop off _____ Pick up _____

List any allergies _____

Registration and payment is due by Friday, April 1, 2021. Checks made payable to: Tolland Board of Education. No refunds for withdrawals will be given after April 1, 2021. Thank you.

FRC advertises any weather related closings on WFSB channel 3 only.

Children need to bring their own lunch, morning and afternoon snacks and beverage in a self-cooled container. No microwave or refrigerator is available. Tap water is available for children throughout the day.

Please complete the following permission slips.

Walking Field Trip

I give my permission for my child to participate in walking field trips to Crandall's Park, Tolland Library, Tolland Green, and other locations within walking distance of Tolland Intermediate School.

Child's name _____

Parent's signature _____

Please list two emergency contacts that can be reached during the time of the trip.

Emergency Contact:

1. Name _____ relationship _____ Day time phone # _____
2. Name _____ relationship _____ Day time phone # _____

Special 2021 Theme

Let's Walk!

Pedestrian Safety for Everybody

2021 Roadway Safety Poster Contest for Children

The **CT Training & Technical Assistance Center** with the support from local agencies and organizations around the state, is bringing awareness of pedestrian and roadway safety to Connecticut. Help make the **Eleventh Annual Roadway Safety Poster Contest for Children** with a special theme: **Let's Walk! Pedestrian Safety for Everybody** a huge success in 2021!

We want to make roadway safety, which includes ALL users, a priority and are asking the children of Connecticut to help promote roadway safety through art. The poster contest is for children grades K-5. We will have winners in multiple groups; grades K-1, 2-3, and 4-5. We are looking for creative posters illustrating pedestrian and roadway safety concepts from a child's point of view.

Deliver Smiles
and Surprises

We are accepting submissions until March 12th. Students grades K-5 are invited to submit their original artwork for a chance to win big prizes and to be recognized by the CT Transportation community. This year's prizes include: Chromebooks for winners and gift cards and a variety of goodies for the runners-up.

Whether you'd like to complete the posters during indoor recess, art class, or have students enter them in a school-wide competition, please support this program and help us spread the word on how to be responsible road users.

To help achieve the goal of keeping children safe on the road, please share the following contest information with:

- Teachers
- Community members
- Parents in their child's digital backpack
- Students

[Click here](#) for the printable poster contest flyer.

[Download the 2021 Roadway Safety Poster Contest Packet](#)

In conjunction with this year's contest, the T2 Center has launched a brand new **Roadway Safety Poster Contest for Children** webpage! The page has resources, fun activities for children to help promote roadway and pedestrian safety, instructions for the poster contest, and the new 2021 poster contest packet. Click the button below, to visit the new webpage.

WINDHAM-TOLLAND 4-H CAMP
 326 Taft Pond Rd Pomfret, CT 06259
www.4hcampct.org

PUT SOME FUN IN YOUR 2021 SUMMER!
June 20 to August 13, 2021

Windham-Tolland 4-H Camp, located in Pomfret Center, Connecticut, has provided summer camp experiences for thousands of youngsters for over 60 years. The camp has both overnight and day camp programs for boys and girls 6-15 years of age. The camp is located on 270 acres containing woodlands, cabins, recreation areas and scenic lakes. The Windham-Tolland 4-H Camp maintains a state license and ACA accreditation. Campers need not be 4-H members.

Our caring, camper-centered, college-aged and trained staff is committed to providing a safe, educational, and fun experience for every child.

All campers have the opportunity to participate in a variety of programs each week including:

- Arts & crafts
- Low and Mid High Ropes courses & Horizontal Climbing wall
- Swimming
- Self-defense
- Fishing
- Sports
- Drama
- Dance
- Archery
- Outdoor Education
- Zip-line
- Canoeing & Kayaking
- Knitting

4-H Camp offers a variety of specialty programs also available on a weekly basis for an additional cost.
Horseback riding, farm camp and cow camp

Excursions in Learning

YOUTH PROGRAMS

SUMMER 2021

JULY 6–AUGUST 13 GRADES K-9

We are excited to present to you a unique offering of summer programs, including new live classes. Our hope is your children will join us for another exciting semester full of interesting topics to explore!

NOTE: A student's grade level is the grade he or she just completed in the 2020-2021 school year, sorry no exceptions.

Do you need an extended day to help with drop off or pick up? No problem. We offer extended day programs from 8 AM-9 AM and 4 PM-5 PM every week. Check inside our catalog for further details. **Exclusions:** Leadership, Jr Culinary, and Youth Culinary Programs

For information, contact:

Linda Armstrong at **860-512-2804**,
