Free and Reduced Price Meals or Free Milk

The Marlborough Board of Education has agreed to participate in the National School Lunch Program and accepts responsibility for providing either Free and Reduced Price Meals.

The School Food Authority assures the Connecticut State Department of Education that the School Food Authority will uniformly implement the following policy to determine children's eligibility for free and reduced price meals and free milk for kindergarten in all schools that participate in the National School Lunch Program and/or School Breakfast Program. The School Food Authority also determines children's eligibility for free milk in schools with pricing programs participating in the Special Milk Program only. In fulfilling its responsibilities, the School Food Authority agrees to all conditions outlined in this "Policy".

In fulfilling its responsibilities the School Food Authority:

- A. Agrees to serve meals (or milk in those schools which offer the free milk option under the Special Milk Program) free to children from families whose income is at or below the fee scale of the Secretary's Income Eligibility Guidelines.
- B. Agrees to serve meals at a reduced price to children from households whose income is at or below the reduced price scale of the Secretary's Income Guidelines.
- C. Agrees that there will be no physical segregation of, nor any other discrimination against, any child because of his/her inability to pay the full price of the meal or milk. The names of the children eligible to receive free or reduced price meals or free milk shall not be published, posted, or announced in any manner, and there shall be no overt identification of any such children by use of special tokens, tickets or any other means. Further assurance is given that children eligible for free or reduced price meals or free milk shall not be required to:
 - 1. Work for their meals or milk.
 - 2. Use a separate lunchroom or milk service area.
 - 3. Go through a separate serving line.
 - 4. Enter the lunchroom through a separate entrance.
 - 5. Eat meals or drink milk at a different time.
 - 6. Eat a meal different from the one sold to children paying the full price or drink milk different from that sold to children paying the full price.

- E. Agrees that, in the operation of school nutrition programs, no child shall be discriminated against because of race, religion, sex, color, national origin, age or handicap.
- F. Agrees to verify in accordance with program regulations and maintain records as follows: (1) a summary of the verification efforts; (2) the total number of applications on file by October 31; and (3) the percentage or number of applications verified. Compliance with these requirements will be monitored by the State agency as part of its supervisory assistance monitoring and verification efforts.
- G. Agrees to establish and use a fair hearing procedure under which: (1) a family can appeal a decision made by the School Food Authority with respect to the family's free milk or free and reduced price meal application; and (2) the School Food Authority can challenge the continued eligibility of any child for free or reduced price meals or free milk. During the appeal and hearing, the child who was determined to be eligible based on the face of the application submitted will continue to receive free or reduced price meals or free milk. Prior to initiating the hearing procedure, the school official, the parent(s)/guardian may request a conference to provide an opportunity for the parent(s)/guardian and school official(s) to discuss the situation, present information, obtain an explanation of data submitted in the application and the decisions rendered. Such a conference shall not in any way prejudice or diminish the right to a fair hearing.

The hearing procedure shall provide the following for both the family and the School Food Authority:

1. A publicly announced, simple method for making an oral or written request for a hearing.
2. An opportunity to be assisted or represented by an attorney or other person.

5. An opportunity to present oral or documentary evidence and arguments supporting a position without undue interference.
 6. An opportunity to question or refute any testimony or other evidence and to confront and cross examine any adverse witness(es).
 7. That the hearing be conducted and the decision be made by an official who did not participate in the decision under appeal or any previous conference.

 9. That the parties concerned and any designated representative thereof be notified in writing of the decisions.
 10. That for each hearing a written record be prepared, including the decision under appeal, any documentary evidence and a summary of any oral testimony presented at the hearing, the decision of the hearing official and the reasons therefore, and a copy of the notification to the parties concerned, of the hearing.
 11. That such written records must be retained for a period of three years after the close of the school year to which they pertain. These records must be made available for examination by the parties concerned or their designees at any reasonable time and place during such a period.

In addition, an application form for free and reduced price meals or free milk shall be distributed with the parent letter at or about the beginning of each school year or whenever there is a change in eligibility criteria. The letter to parents with the free and reduced price meal application attachment shall have only the income eligibility guidelines for reduced price meals with an explanation that households with incomes at or below the reduced price guidelines may be eligible for either free or reduced price meals. The letter to parents with the free milk application form shall list the income eligibility guidelines for free milk.

Free and Reduced Price Meals or Free Milk (continued)

Interested parents or guardians are responsible for filling out the application and returning it to the school for review. Such applications and documentation of determinations made will be maintained for a period of 3 years following the end of the school year to which they pertain.

Applications may be filed at any time during the year. Parents or guardians enrolling a child in a school for the first time shall be supplied with appropriate meal or milk application materials regardless of the time of year the child is registered. If a child transfers from one school to another under the jurisdiction of the same School Food Authority, his/her eligibility for free or reduced price meals or free milk will be transferred to and honored by the receiving school.

All children from an eligible household will receive the same benefits. Parents or guardians will be promptly notified of the acceptance or denial of their application(s). Children will be served meals or milk immediately upon the establishment of their eligibility.

It is recognized that in certain cases foster children are also eligible for these benefits. If a household has a child living with them, who is a legal ward of the State of Connecticut, that child is considered a family of one, and monthly income from the State should be listed.

When an application is rejected, parents or guardians will be provided written notification which shall include: (1) the reason for the denial of benefits, e.g., income in excess of allowable limits or incomplete application; (2) notification of the right to appeal; (3) instructions on how to appeal; and (4) a statement reminding parents that they may reapply for free and reduced price benefits or free milk at any time during the school year. The reasons for ineligibility shall be properly documented and retained on file at the School Food Authority level.

The designated hearing official is the Superintendent.

Note: The hearing official must be someone not involved in the original eligibility determination. It is suggested that he/she hold a position at a higher administrative level than that of the determining official.

NOTE: Describe in detail in Schedule 5 the payment collection method(s) used in each school or group of schools.

- L. Agrees to submit to the Connecticut State Department of Education any alterations, public announcements, etc., before implementation. Such changes will be effective only upon approval.
