Pelham Elementary School Third Grade Goals for Student Achievement 2022-2023

In Math- Our focus will be on multiplication fact fluency.

In Literacy- Our focus will be on reading stamina and fluency.

In Third Grade

Teachers will work with students and their families to support students' success in reading and math. Some of the ways we will accomplish this include:

- Encourage parents to read with student daily for 20 minutes and have student retell what they read.
- Provide parent resources in math and reading through parent events, the PIRC, digital monthly newsletter.
- Send information about online websites such as Zearn.org.
- Stay in communication with parents through conferences and weekly folders.
- Provide parents with resources to help with oral reading fluency and math facts to practice daily.

At Home

PES parents worked with staff to develop ideas about how families can support students' success in reading and math at home. Some of the suggestions:

- Encourage students to read and practice reading for fluency.
- Attend parent activities or access events on the school website (online access in the PIRC or public library).
- Help students daily with practice work, practice fast facts with flash cards, sight words and vocabulary words.
- Stay informed with digital monthly sent through email, posted on Facebook and website, and in the school lobby rack.
- Communicate with teachers through conferences and weekly folders.
- Online resources, www.getepic.com for Reading & <http://www.pelham-city.k12.ga.us/Content2/InstructionalResources> for Math. Also Zearn.org,

3rd Grade Students

A sampling of Pelham Elementary School students were asked their ideas about how they can succeed in Math and Literacy. Students thought of the following ways to make connections between learning at home and school:

- Practice fast facts and oral reading daily.
- Visit the public library.
- Read and retell about passages daily and use free apps and resources available.
- Play math and reading games at home to build skills.
- Talk to parents about school each day.

What is a School-Parent-Student Compact?

A School-Parent-Student Compact is an agreement that is developed together with parents, students, and teachers.

Effective Compacts will:

- Link goals of the school improvement plan.
- Focus on specific learning skills to work on at home.
- Share teacher strategies.

Jointly Developed

PES parents and staff have jointly developed the school-parent-student compact. The process consisted of: The PES staff and third grade teachers were given an opportunity to update the compact. Parents provided input and then the compact was revised according to all feedback provided.

Discussion of the compact occurs throughout the school year via surveys,
