# MEET the TEACHER

## Ms. Scott

My name is Ms. Scott, and this is my 13th year teaching. I'm very excited to begin a new school year and anticipate a terrific year ahead for your child. We are going to do so many fun and interesting things together as we learn more about math, science, and social studies. I can't wait to get started! You will not believe how much your child will learn and grow this year.

We have so much planned and I can't wait to get to know you and  
your family!

# MEET + the TEACHER

## Ms. Talley

*My name is Ashley Talley, and I'll be teaching your child this upcoming school year. I am so excited to get to know you and your child throughout the year! Students will feel open and comfortable with everyone in our class, become better listeners and observers, and most importantly feel supported by myself and fellow classmates. I look forward to having a fantastic year with you all.*

# MEET the TEACHER

## Ms. Sharpe

My name is Ms. Sharpe. I am excited to begin my 27th year teaching here at Crump. I teach Math, Science, and Social Studies. I'm looking forward to meeting everyone, and working together to make this the best year ever.

# MEET the TEACHER

## Mrs. Williams

Aloha and Welcome to 3rd Grade!

My name is Mrs. Williams. I have been teaching 3rd Grade at Peter Crump Elementary for 22 years. We are going to do so many FUN things this year and of course we will learn a lot. I teach Reading, Language Arts, Spelling, and Writing. We will also begin to learn cursive handwriting. I hope everyone had a FABULOUS summer, and I can't wait to hear all about it. I am so excited to get to know each one of you. I'm looking forward to a happy and productive school year.

The MORE that you READ, the MORE things you will KNOW.

The MORE that you LEARN, the MORE places you'll GO.

# Curriculum

We're very excited to begin a new school year and anticipate a terrific year ahead for your child! With third grade comes new information, new responsibilities, and new opportunities. 😊 It is in third grade that your child will learn to write in cursive, and will become comfortable multiplying and dividing numbers! She/he will learn to research information on the computer, and write multiple paragraphs by the end of the year! There is so much to learn and we feel both humbled and privileged to have the opportunity to share in your child's daily education.
