NATIONAL READING MONTH

In honor of Dr. Seuss' birthday, March is designated as National Reading Month - a month to motivate Americans of all ages to read every day.

Reading is *fun* and has many *benefits*, regardless of your age.

It's a key component of education and professional development.

It also has immediate and long-lasting health benefits such as increased *cognitive function, memory, vocabulary, empathy* and *decreased levels of stress*.

MARCH 8 – HOLI

Holi is a Hindu festival that has been celebrated since ancient times. The Holi Festival is celebrated as a way to welcome in spring, and also is seen as a new beginning where people can release all their inhibitions and start fresh.

Despite having roots in Hinduism, **Holi has been celebrated across all religious communities in India.** It is not uncommon to see Hindus and Muslims open up their homes to each other for religious festivities.

SMART WATCHES – ELECTRONIC VIOLATION

- SMART Watches are still an Electronic Violation. If it goes off during class or if you are texting from the device, you will get a warning to turn off the device first, but on the second offense it will be confiscated.
- Teachers will still write a referral the first offense as a warning.
- SMART Watches will be handled the same way as phones, if confiscated you can pick up in the office at the end of the day.
- During STATE testing, NO smartwatches can be worn. They must be taken off for testing.
