Hello Crump Elementary 3rd Grade Parents,

In 2019, the Alabama legislature passed the Alabama Literacy Act, and it became effective September 1, 2019. This law requires all 3rd grade students to demonstrate sufficient reading skills to be promoted to 4th grade based on Alabama Standardized Test ACAP. The students will take the ACAP the 1st week of April. All results will be provided no later than May 15, 2022.

Listed below are some helpful resources that you can use at home to work with your child to prepare for the ACAP.

ACAP 3rd Grade Retired Questions: These are previously used questions on the ACAP that you can review and discuss at home with your child.
