Week of January 10, 2022

Roadrunners,

We had a very successful first week back in 2022! I am inviting all of you to our Glenmeade LCAP Community Engagement Meeting. The objectives for the meeting are to understand how the Local Control Funding Formula (LCFF) works and supports the District's Local Control Accountability Plan (LCAP) goals. We will also review Chino Valley Unified School District's three LCAP goals and related actions and services. You will also have the opportunity to provide input on the LCAP/SPSA goals and actions. I have two different meeting options to help this important event fit into your schedule, but you should only attend one. The meetings will be held on Wednesday, 1/12 at 9:00 am and Thursday, 1/13 @ 1:30 pm. The meeting link and more information can be found below. I hope to see you there!

We are now enrolling Kindergarten students for the 2022-2023 school year! Please see the information below and on our website for more details regarding dates, times, and document requirements.

If your student needs to stay home due to illness or quarantine, you can request Short Term Independent Study in the office. You will need to come to the office to sign the paperwork, meet with our STIS Coordinator, and pick up the work to complete at home. Please call the office at (909) 393-4087 to make your request.

Sincerely,

Adrienne Chase

Principal, Glenmeade Elementary School

Champions of the R.A.C.E.

3rd Grade in Action

Students in Mrs. Lund and Mrs. Brown's classes have been working on writing standards W.1, W.2, W.7 & W.8. They completed a Pig vs. Wolf opinion writing piece after reading multiple texts and collaborating with peers about whether they believed the pig or the wolf. They also wrote Endangered

Animal research reports that included a beautiful art project inspired by the art of author/illustrator Eric Carle. Great job 3rd grade!

Fun Club Interest Survey for 2022-2023

I am pleased to announce that I have been working with the district to see if we can open Fun Club on the Glenmeade campus for the 2022-2023 school year. At this time we are generating interest and completing this survey does not guarantee a child development center. The interest from this survey will help us determine if it is financially feasible to offer Fun Club at Glenmeade, so if you are interested in enrolling in before and/or after school care, please complete the form. I will continue to update our community as we move closer to the 2022-2023 school year. For information about the Fun Club program, [please click here](#). To complete the [survey, click here](#).

Child Development Fun Club Interest Survey

Fun Club is a before and afterschool child care program run by Chino Valley Unified school district staff. We are open Monday - Friday from 6:30 a.m. - 6:00 p.m. We operate on the same schedule as the school calendar. We provide enrichment activities, homework assistance, outdoor activities, PBIS, and snack.

Glenmeade Elementary PBIS Resources

Glenmeade Elementary PBIS Corner

The PBIS Team needs YOUR support!

PBIS is a proactive approach our school uses to improve school safety and promote positive behavior. Did you know family involvement is key when developing positive behavior support plans for students?

Involvement at Home

- Families are encouraged to support PBIS using common language and expectations.
- The school-wide expectations can be connected to desirable behaviors at home.

- Behaviors can be taught through explicit instruction, practice, and positive reinforcement.
- A strong partnership between home and school can provide families with ideas on how to address behaviors similar to the way we do at school.

Thank you for your support, and please make sure your student is continuing to demonstrate the 3B's at school and home.

Be Respectful

Be Responsible

Be Safe

Release Time Christian Education

The Released Time Christian Education program is now expanding to **3rd through 6th graders** effective November 8th. The program, taught outside in their bus by volunteers, requires your written approval and the forms are located in our office in the Released Time box. The teaching date is Tuesday and the one hour time to participate begins at 1:30 pm. If there are more than eight students, a waiting list will be established.

There is also an optional online class for 3rd-6th grade students to study at their leisure which will convene November 1st. However, both the in person and online classes do require parental enrollment. The forms can also be downloaded from the RTCE website after September 28th on www.chinvalleyreleasedtimechristianeducation.org, and placed in the RTCE Box.
